

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lawrence Savage
DOCKET NO.: 24-02371.001-R-1
PARCEL NO.: 04-33-211-004

The parties of record before the Property Tax Appeal Board are Lawrence Savage, the appellant, by attorney Timothy C. Jacobs, of Kovitz Shifrin Nesbit in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,029
IMPR.: \$85,156
TOTAL: \$95,185

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of wood siding exterior construction with 1,424 square feet of living area. The dwelling was constructed in 1985 and is approximately 39 years old.¹ Features of the home include a basement, central air conditioning, and a 1,008 square foot garage. The property has an approximately 16,160 square foot site and is located in Beach Park, Benton Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.46 of a mile from the subject. The parcels range in size from 12,670 to 19,720 square feet of land area and are improved with 1-story homes ranging in size from 1,476 to 1,616 square feet of living area. The

¹ The Board finds the best evidence of age is found in the subject's property record card presented by the board of review, which was not refuted by the appellant.

dwellings range in age from 42 to 46 years old and feature a basement, central air conditioning, and a garage ranging in size from 504 to 676 square feet of building area. The comparables sold from July 2021 to August 2022 for prices ranging from \$205,000 to \$250,000 or from \$126.86 to \$169.38 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$95,185. The subject's assessment reflects a market value of \$285,584 or \$200.55 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.²

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.79 of a mile from the subject. The parcels range in size from 16,151 to 24,393 square feet of land area. The comparables are improved with 1-story homes ranging in size from 1,112 to 1,554 square feet of living area that are from 43 to 49 years old. Each home has a basement, two with finished area, central air conditioning, and a garage ranging in size from 429 to 610 square feet of building area. Comparable #3 has a sunroom and comparable #4 has an inground swimming pool. The comparables sold from June to December 2024 for prices ranging from \$328,000 to \$352,000 or from \$211.07 to \$296.76 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables, which sold less proximate in time to the assessment date than the other sales in this record. The Board gives less weight to the board of review's comparables #2 and #4, due to substantial differences from the subject in dwelling size or inground swimming pool amenity.

The Board finds the best evidence of market value to be the board of review's comparables #1 and #3, which sold more proximate in time to the assessment date and are similar to the subject in dwelling size, age, location, site size, and most features, although these comparables each have a smaller garage than the subject and one comparable has a sunroom unlike the subject, suggesting adjustments to these comparables would be needed to make them more equivalent to

² Section 1910.50(c)(1) of the Board's procedural rules provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code § 1910.50(c)(1). As of the development of this Final Administrative decision, the Department of Revenue has not published figures for tax year 2024.

the subject. These most similar comparables sold for prices of \$330,000 and \$352,000 or \$247.01 and \$227.10 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$285,584 or \$200.55 per square foot of living area, including land, which is below the two best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
