

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marina Galitsky
DOCKET NO.: 24-02398.001-R-1
PARCEL NO.: 14-11-402-011

The parties of record before the Property Tax Appeal Board are Marina Galitsky, the appellant, by attorney Anthony DeFrenza, of the Law Office of DeFrenza & Mosconi PC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$41,572
IMPR.: \$147,277
TOTAL: \$188,849

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,838 square feet of living area. The dwelling was constructed in 1988 and is approximately 36 years old. Features of the home include a basement, central air conditioning and a 1,176 square foot garage. The property has an approximately 73,842 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends assessment inequity, with respect to the improvement assessment, as the basis of the appeal. In support of this argument, the appellant submitted two grid analyses with information on five equity comparables located in the same assessment neighborhood code and from 0.33 to 0.94 of a mile from the subject. The comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 2,672 to 3,358 square feet of living area and are 36 to 41 years old. Each comparable has a basement, central air conditioning, one

or two fireplaces and a garage ranging in size from 484 to 1,027 square feet of building area. The comparables have improvement assessments ranging from \$128,195 to \$156,651 or from \$46.65 to \$47.98 per square foot of living area.

The appellant also submitted multiple maps with a variety of comparable properties and photographs of four of the appellant's five comparable properties. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$133,914 or \$47.19 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$188,849. The subject has an improvement assessment of \$147,277 or \$51.89 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on nine equity comparables located in the same assessment neighborhood code and from 0.46 of a mile to 1.44 miles from the subject property. The comparables are improved with 2-story dwellings of brick or frame exterior construction ranging in size from 2,695 to 2,882 square feet of living area that were built from 1986 to 1989. Each comparable has a basement, central air conditioning, one or two fireplaces and a garage ranging in size from 576 to 1,444 square feet of building area. The comparables have improvement assessments ranging from \$140,846 to \$165,315 or from \$51.99 to \$59.19 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments, for the assessment year in question, of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted 14 equity comparables for the Board's consideration. The Board gives less weight to appellant comparables #1 and #2 along with board of review comparables #1, #2, #4 through #7 and #9 which are least similar to the subject in location and/or garage capacity than other properties in the record.

The Board finds the best evidence of assessment equity to be appellant comparables #3, #4 and #5 as well as board of review comparables #3 and #8 which are more similar to the subject in location, age, design, and garage amenity. Although, these comparables present varying degrees of similarity to the subject in dwelling size, suggesting adjustments are needed to make these properties more equivalent to the subject. These comparables have improvement assessments ranging from \$128,195 to \$156,651 or from \$46.65 to \$52.94 per square foot of living area. The subject's improvement assessment of \$147,277 or \$51.89 per square foot of living area falls within the range established by the best comparables in this record. After considering

appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
