

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Brett Kroner
DOCKET NO.: 24-02588.001-R-1
PARCEL NO.: 15-24-301-017

The parties of record before the Property Tax Appeal Board are Brett Kroner, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$85,899
IMPR.: \$150,039
TOTAL: \$235,938

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,492 square feet of living area. The dwelling was constructed in 1988 and is approximately 36 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace, an 896 square foot garage and a 500 square foot inground swimming pool. The property has an approximately 43,124 square foot site and is located in Riverwoods, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located within approximately .65 of a mile from the subject property. The comparables are improved with two-story dwellings of frame or brick exterior construction ranging in size from

2,533 to 3,055 square feet of living area. The dwellings are from 37 to 84 years old. The comparables each have a full basement, one of which has finished area. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 552 to 891 square feet of building area. The comparables have improvement assessments that range from \$118,372 to \$145,605 or from \$42.36 to \$53.14 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$119,298 or \$47.87 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$235,938. The subject has an improvement assessment of \$150,039 or \$60.21 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on two equity comparables that have the same assessment neighborhood code as the subject and are located within approximately .06 of a mile from the subject property. The comparables are improved with two-story dwellings of brick exterior construction containing 2,650 and 2,712 square feet of living area. The dwellings were built in 1963 and 2001. Each comparable has a basement with finished area, central air conditioning, a fireplace and a garage with either 483 or 770 square feet of building area. The comparables have improvement assessments of \$153,576 and \$168,371 or \$57.95 and \$62.08 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables #1 and #3, as well as board of review comparable #2, which are less similar to the subject in dwelling size or age than other comparables in the record.

The Board finds the appellant's comparables #2 and #4, along with board of review comparable #1 are overall more similar to the subject in location, dwelling size, design and age. However, all three comparables lack an inground swimming pool and the appellant's comparables #2 and #4 each lack basement finish, both features of the subject, suggesting upward adjustments would be required to make the comparables more equivalent to the subject. The comparables have improvement assessments that range from \$118,372 to \$168,371 or from \$45.46 to \$62.08 per square foot of living area. The subject property's improvement assessment of \$150,039 or \$60.21 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the best comparables for

differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
