

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Larry Flesicher
DOCKET NO.: 24-02724.001-R-1
PARCEL NO.: 16-32-314-006

The parties of record before the Property Tax Appeal Board are Larry Flesicher, the appellant, by attorney Glenn Guttman, of Rieff Schramm Kanter & Guttman in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$58,274
IMPR.: \$137,644
TOTAL: \$195,918

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick frame exterior construction with 2,888 square feet of living area. The dwelling was constructed in 1974 and is approximately 50 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace and a 440 square foot garage. The property has 10,800 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from .16 to .26 of a mile from the subject property. Two comparables have sites with 9,410 or 10,880 square feet of land area. The comparables are improved with 2-story dwellings of brick and frame exterior construction with 2,888 or 2,892 square feet of living area. The dwellings were built from 1972 to 1974. Each comparable has a basement, central air conditioning, two had one fireplace and each had a

garage with 440 square feet of building area. The properties sold from August 2022 to May 2024 for prices ranging from \$460,000 to \$525,000 or from \$159.28 to \$181.79 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$164,907 which reflects a market value of \$494,770 or \$171.32 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$195,918. The subject's assessment reflects a market value of \$587,813 or \$203.54 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located from .13 to .20 of a mile from the subject property. The comparables have sites that range in size from 9,600 to 16,200 square feet of land area and are improved with 2-story dwellings of brick exterior construction ranging in size from 2,635 to 3,013 square feet of living area. The homes were built from 1966 to 1977. Each comparable has a basement, two with finished area, central air conditioning, three with one fireplace and a garage ranging in size from 440 to 600 square feet of building area. The properties sold from June 2023 to November 2023 for prices ranging from \$700,000 to \$819,000 or from \$232.40 to \$283.59 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparable sales for the Board's consideration. The Board gives less weight to appellant comparable #2 which sold in 2022, less proximate to the January 1, 2024 assessment date than other properties in the record. The Board also gives less weight to board of review comparables #3 and #4 which have basement finished area. In addition, comparable #4 is less similar in age.

The Board finds the best evidence of market value to be the appellant comparables #1 and #3 and board of review comparables #1 and #2 which are more similar to the subject in size, age, location and other features. These comparables sold from February 2023 to May 2024 for prices ranging from \$460,000 to \$780,000 or from \$159.28 to \$263.69 per square foot of living area,

¹ Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill.Admin.Code Sec. 1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2024.

including land. The subject's assessment reflects a market value of \$587,812 or \$203.54 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
