

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nancy Knoerr  
DOCKET NO.: 24-02882.001-R-1  
PARCEL NO.: 12-33-409-021

The parties of record before the Property Tax Appeal Board are Nancy Knoerr, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$82,563  
**IMPR.:** \$134,337  
**TOTAL:** \$216,900

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame exterior construction with 2,442 square feet of living area. The dwelling was constructed in 1927. Features of the home include a basement and a 420 square foot garage. The property has a .156 acre or 6,785 square foot site and is located in Lake Forest, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within the subject's assessment neighborhood and within one mile of the subject. The comparables consist of two-story dwellings of frame exterior construction ranging in size from 1,463 to 3,058 square feet of living area. The homes were built from 1926 to 1962. Each dwelling has a basement. One comparable has central air conditioning and two comparables each have a garage containing either 324 or 378 square feet of building area. The parcels range in size from .101 to .13 acres of land area. The comparables sold from December 2023 to April 2024 for prices ranging from

\$430,000 to \$3,000,000 or from \$184.76 to \$1,690.14 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$200,640, for an estimated market value of \$601,980 or \$246.51 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$216,900. The subject's assessment reflects a market value of \$650,765 or \$266.49 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.<sup>1</sup>

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within the subject's assessment neighborhood. Comparable #5 is the same property as the appellant's comparable #3. The comparables consist of two-story dwellings of frame exterior construction ranging in size from 1,463 to 2,406 square feet of living area. The dwellings were built from 1890 to 1922. Each dwelling has a basement and a garage ranging in size from 324 to 816 square feet of building area. One comparable has central air conditioning. The parcels range in size from 4,406 to 13,093 square feet of land area. The comparables sold from April 2022 to April 2024 for prices ranging from \$430,000 to \$1,695,000 or from \$228.47 to \$704.49 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board, with one comparable being common to the parties. The Board gives reduced weight to the comparables submitted by the appellant, as well as the board of review's comparables #2, #4, and #5, including the parties' shared comparable, which differ from the subject in age, dwelling size, lack a garage, and/or feature central air conditioning unlike the subject.

The Board finds the best evidence of market value to be the board of review's comparables #1 and #3, which are similar to the subject in age, dwelling size, and features. These comparables sold for prices of \$499,900 and \$1,695,000 or \$228.47 and \$704.49 per square foot of living area, including land. The subject's assessment reflects a market value of \$650,765 or \$266.49 per square foot of living area, including land, which is bracketed by the two best comparable

sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
