

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Matthew Raddatz
DOCKET NO.: 24-03393.001-R-1
PARCEL NO.: 14-26-402-001

The parties of record before the Property Tax Appeal Board are Matthew Raddatz, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the McHenry County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **McHenry** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$41,027
IMPR.: \$190,562
TOTAL: \$231,589

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the McHenry County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and brick exterior construction with 4,365 square feet of living area. The dwelling was constructed in 1997 and is 27 years old. Features of the home include a partial basement with finished area, central air conditioning, a fireplace, and a 1,168 square foot garage.¹ The property has a 51,401 square foot site and is located in Crystal Lake, Nunda Township, McHenry County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located within the subject's assessment neighborhood and from .39 of a mile to 1.88 miles from the subject. The comparables consist of two-story dwellings of brick and frame

¹ The Board finds the subject's property record card submitted by the board of review, which was not refuted by the appellant in rebuttal, to be the best evidence of the subject's features.

exterior construction ranging in size from 4,289 to 4,436 square feet of living area. The homes were built from 2004 to 2008. Each dwelling has central air conditioning, one to three fireplaces, a partial basement with finished area, and a garage ranging in size from 770 to 868 square feet of building area. The comparables have improvement assessments ranging from \$174,556 to \$178,914 or from \$40.14 to \$40.70 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$176,040 or \$40.33 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$231,589. The subject property has an improvement assessment of \$190,562 or \$43.66 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables located within the subject's assessment neighborhood and within .47 of a mile of the subject. The comparables consist of two-story dwellings of brick or frame and brick exterior construction ranging in size from 4,250 to 4,420 square feet of living area. The homes range in age from 17 to 22 years old. Each dwelling has central air conditioning, one or two fireplaces, a basement with finished area, and a garage ranging in size from 880 to 958 square feet of building area. The comparables have improvement assessments ranging from \$187,404 to \$192,859 or from \$42.42 to \$45.08 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to comparables submitted by the appellant, as well as board of review comparable #1, which differ from the subject in age and/or location.

The Board finds the best evidence of assessment equity to be board of review comparables #2 and #3, which are more similar to the subject in age, location, dwelling size, and features. These comparables have improvement assessments of \$187,477 and \$192,859 or \$42.42 and \$45.08 per square foot of living area. The subject's improvement assessment of \$190,562 or \$43.66 per square foot of living area is bracketed by the two best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
