

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Diana Solis
DOCKET NO.: 24-03401.001-R-1
PARCEL NO.: 14-26-304-015

The parties of record before the Property Tax Appeal Board are Diana Solis, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the McHenry County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **McHenry** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$30,769
IMPR.: \$156,465
TOTAL: \$187,234

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the McHenry County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and brick exterior construction with 3,180 square feet of living area. The dwelling was constructed in 2001 and is 23 years old. Features of the home include a full basement with finished area, central air conditioning, two fireplaces, and a 768 square foot garage.¹ The property has a 45,738 square foot site and is located in Prairie Grove, Nunda Township, McHenry County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located within the subject's assessment neighborhood and within .29 of a mile of the subject. The comparables consist of two-story dwellings of brick and frame exterior

¹ The board finds the subject's property record card submitted by the board of review, which was not refuted by the appellant in rebuttal, to be the best evidence of the subject's features.

construction ranging in size from 3,129 to 3,622 square feet of living area. The homes were built from 1995 to 1999. Each dwelling has central air conditioning, a fireplace, a full basement with finished area, and a garage ranging in size from 538 to 798 square feet of building area. The comparables have improvement assessments ranging from \$149,752 to \$165,816 or from \$45.78 to \$47.86 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$149,237 or \$46.93 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$187,234. The subject property has an improvement assessment of \$156,465 or \$49.20 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables located within the subject's assessment neighborhood and within .19 of a mile of the subject. The comparables consist of two-story dwellings of frame or frame and brick exterior construction ranging in size from 2,941 to 3,206 square feet of living area. The homes range in age from 25 to 30 years old. Each dwelling has central air conditioning, a fireplace, a basement with two having finished area, and a garage ranging in size from 651 to 767 square feet of building area. The comparables have improvement assessments ranging from \$147,790 to \$159,274 or from \$47.86 to \$50.25 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparable #3, which differs from the subject in dwelling size. The Board also gives less weight to the board of review's comparables #1 and #2, which lack or have significantly less basement finish than the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #2 along with board of review comparable #3, which are similar to the subject in age, location, dwelling size, and features. These comparables have improvement assessments that range from \$149,752 to \$159,274 or from \$46.93 to \$49.68 per square foot of living area. The subject's improvement assessment of \$156,465 or \$49.20 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's

improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
