

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Miroslaw Majzner  
DOCKET NO.: 24-03472.001-R-1  
PARCEL NO.: 19-26-251-027

The parties of record before the Property Tax Appeal Board are Miroslaw Majzner, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the McHenry County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **McHenry** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$50,964  
**IMPR.:** \$253,702  
**TOTAL:** \$304,666

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the McHenry County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 4,374 square feet of living area. The dwelling was constructed in 2002 and is approximately 22 years old. Features of the home include a basement with finished area, central air conditioning, two fireplaces and an attached garage with 858 square feet of building area and a detached garage with 484 square feet of building area.<sup>1</sup> The property has a site with approximately 54,888 square feet of land area and is located in Algonquin, Algonquin Township, McHenry County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables. The comparables are improved with 2-story dwellings of brick or frame exterior construction ranging in size from 2,545 to 6,270 square feet of living area. The dwellings were built from 1973 to 2005. Each comparable has a basement, three with finished area, central air

conditioning, one fireplace and a garage that ranges in size from 551 to 1,136 square feet of building area. The comparables have improvement assessments that range from \$117,412 to \$311,976 or from \$36.27 to \$49.76 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$188,060 or \$42.99 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$304,666. The subject property has an improvement assessment of \$253,702 or \$58.00 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three suggested equity comparables. The comparables are improved with 2-story dwellings of frame or frame and stone exterior construction ranging in size from 2,992 to 3,384 square feet of living area. The dwellings range in age from 25 to 34 years old. Each comparable has a basement, one with finished area, central air conditioning, one or three fireplaces and a garage that ranges in size from 640 to 934 square feet of building area. Comparable #3 has an inground swimming pool. The comparables have improvement assessments ranging from \$152,848 to \$249,996 or from \$51.09 to \$73.88 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested comparables for the Board's consideration. The Board has given less weight to appellant's comparable #1 as well as board of review comparable #1 due to their older ages when compared to the subject.

The Board finds the best evidence of assessment equity to be appellant's comparables #2, #3 and #4 along with board of review comparables #2 and #3. The Board finds that these comparables are most similar to the subject in age, design and some features. However, two comparables lack a finished basement, one comparable has an inground swimming pool and each comparable lacks an additional garage and are dissimilar in dwelling size when compared to the subject, suggesting adjustments would be required to make the comparables more equivalent to the subject. Nevertheless, these most similar comparables have improvement assessments ranging from \$164,827 to \$311,976 or from \$36.27 to \$73.88 per square foot of living area. The subject's improvement assessment of \$253,702 or \$58.00 per square foot of living area, falls within the range of the best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
