

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Illinois Realty Group Holdings, LLC
DOCKET NO.: 24-03603.001-R-1
PARCEL NO.: 02-20.0-213-015

The parties of record before the Property Tax Appeal Board are Illinois Realty Group Holdings, LLC, the appellant, by attorney Patrick Sullivan, of PRDS Law, LLC in Belleville; and the St. Clair County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **St. Clair** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,426
IMPR.: \$10,156
TOTAL: \$11,582

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the St. Clair County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 945 square feet of living area. The dwelling was constructed in 1927 with an effective year built of 1985. Features of the home include a basement and a partially finished attic. The property has a 6,098 square foot site and is located in East St. Louis, East St. Louis Township, St. Clair County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from 2 to 13.6 miles from the subject. The comparables consist of 1.5-story dwellings of frame or frame and brick exterior construction ranging in size from 770 to 1,800 square feet of living area. The homes range in age from 109 to 136 years old with effective years built ranging from 1975 to 2000. Each dwelling has a basement, one comparable has central air conditioning, and two comparables each have a either a 1-car or 2-car garage. The parcels range in size from 6,969 to 21,344 square feet

of land area. The comparables sold in December 2023 or July 2024 for prices ranging from \$4,500 to \$20,000 or from \$5.84 to \$11.11 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$6,000, for an estimated market value of \$18,002 or \$19.05 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$11,582. The subject's assessment reflects a market value of \$34,749 or \$36.77 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on two comparable sales located within the subject's assessment neighborhood and within .5 of a mile of the subject. The comparables consist of 1-story or 1.5-story dwellings of brick or frame and brick exterior construction containing either 1,290 or 1,677 square feet of living area. The dwellings were built in either 1914 or 193 with each having an effective year built of 1985. Each dwelling has a basement, central air conditioning, and a garage containing either 240 or 336 square feet of building area. One comparable has a fireplace. The parcels contain either 4,792 or 6,098 square feet of land area. The comparables sold in January and June 2025 for prices of \$40,000 and \$78,000 or \$23.85 and \$60.47 per square foot of living area, including land. The board of review also submitted property record cards and transfer declarations for the parties' comparables, which disclosed that the appellant's comparable #3 and the board of review's comparable #2 were not advertised for sale. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of five comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparable #3 and the board of review's comparable #2, which were not advertised for sale.

The Board finds the parties' remaining comparables have varying degrees of similarity to the subject in age, effective age, location, dwelling size, site size, and features. These comparables sold for prices ranging from \$4,500 to \$78,000 or from \$5.84 to \$60.47 per square foot of living area, including land. The subject's assessment reflects a market value of \$34,749 or \$36.77 per

¹ Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2024.

square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
