

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Illinois Realty Group Holdings, LLC
DOCKET NO.: 24-03613.001-R-1
PARCEL NO.: 01-24.0-314-031

The parties of record before the Property Tax Appeal Board are Illinois Realty Group Holdings, LLC, the appellant, by attorney Patrick Sullivan, of PRDS Law, LLC in Belleville; and the St. Clair County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **St. Clair** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$955
IMPR.: \$12,158
TOTAL: \$13,113

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the St. Clair County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of masonry exterior construction with 1,040 square feet of living area. The dwelling was constructed in 1970 and is approximately 54 years old. Features of the home include a slab foundation, central air conditioning, and a 288 square foot garage. The property has a 7,405 square foot site and is located in East St. Louis, E. St. Louis Township, St. Clair County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located 2.3 or 3.8 miles from the subject. The comparables have varying degrees of similarity to the subject in design, dwelling size, age, site size, and features. The appellant reported the comparables sold from May 2024 to March 2025 for prices ranging from \$15,000 to \$18,500 or from \$15.18 to \$20.93 per square foot

of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$13,113. The subject's assessment reflects a market value of \$39,343 or \$37.83 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within the same assessment neighborhood code as the subject. The parcels range in size from 7,840 to 8,276 square feet of land area and are improved with 1-story homes ranging in size from 950 to 978 square feet of living area. The dwellings were built in 1960 or 1975. Each home has a slab foundation and central air conditioning. One home has a 286 square foot garage. The comparables sold from January 2022 to April 2025 for prices ranging from \$33,000 to \$44,000 or from \$34.74 to \$45.13 per square foot of living area, including land. The board of review submitted a Real Estate Transfer Declaration for sale #3 indicating the property was not advertised for sale.

The board of review submitted property record cards for the appellant's comparables, noting sales #1 and #2 are outside the subject's neighborhood and sale #3 is in a different township. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables, which are located more than 2 miles from the subject and are not within the subject's neighborhood and/or township. The Board gives less weight to the board of review's comparable #3, which was not advertised for sale, suggesting this was not an arm's length sale indicative of market value.

The Board finds the best evidence of market value to be the board of review's comparables #1 and #2, which sold proximate in time to the assessment date and are similar to the subject in design, dwelling size, age, location, site size, and some features. These comparables sold for prices of \$43,500 and \$44,000 or \$44.48 and \$45.13 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$39,343 or \$37.83 per

¹ Section 1910.50(c)(1) of the Board's procedural rules provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code § 1910.50(c)(1). As of the development of this Final Administrative decision, the Department of Revenue has not published figures for tax year 2024.

square foot of living area, including land, which is below the two best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
