

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Illinois Realty Group Holdings, LLC  
DOCKET NO.: 24-03619.001-R-1  
PARCEL NO.: 02-19.0-209-157

The parties of record before the Property Tax Appeal Board are Illinois Realty Group Holdings, LLC, the appellant, by attorney Patrick Sullivan, of PRDS Law, LLC in Belleville; and the St. Clair County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **St. Clair** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$432  
**IMPR.:** \$4,568  
**TOTAL:** \$5,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the St. Clair County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of frame exterior construction with 1,134 square feet of living area. The dwelling is approximately 113 years old. The property has a 4,356 square foot site and is located in E. St. Louis, E. St. Louis Township, St. Clair County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located 2.3 to 13.5 miles from the subject. The parcels range in size from 6,969 to 21,344 square feet of land area and are improved with 1.5-story homes of frame or masonry and frame exterior construction ranging in size from 770 to 1,800 square feet of living area. The dwellings range in age from 109 to 136 years old. Comparable #3 has central air conditioning and two comparables each have a 1-car or a 2-car garage. The comparables sold in December 2023 and July 2024 for prices ranging from \$4,500 to \$20,000 or from \$5.84 to \$11.11 per square foot of living area, including land. The

appellant also submitted listing sheets associated with the comparable sales which disclosed comparable #1 had mold damage and some structural damage at the time of sale.

The appellant submitted a copy of the final decision of the board of review disclosing the property has a total equalized assessment of \$9,752 which would reflect a market value of \$29,259 or \$25.80 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.<sup>1</sup>

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property and was found in default by a letter issued on November 6, 2025.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Adm.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Adm.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the appellant's comparables. These comparables present varying degrees of similarity to the subject and sold for prices ranging from \$4,500 to \$20,000 or from \$5.84 to \$11.11 per square foot of living area, including land. The subject's assessment reflects a market value of \$29,259 or \$25.80 per square foot of living area, land included, which falls above the range established by the only comparables in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds the subject's assessment is excessive. The board of review did not submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Adm.Code §1910.40(a) & §1910.69(a). On this limited record, the Board has examined the evidence submitted by the appellant and finds that a reduction in the assessment of the subject property commensurate with the appellant's request is justified.

<sup>1</sup>Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill.Admin.Code Sec. 1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2024.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
