

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kimberly L. Lynch Trust  
DOCKET NO.: 24-04028.001-R-2  
PARCEL NO.: 09-02-416-002

The parties of record before the Property Tax Appeal Board are Kimberly L. Lynch Trust, the appellant, by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$151,922  
**IMPR.:** \$573,804  
**TOTAL:** \$725,726

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a three-story dwelling of frame and brick exterior construction with 4,432 square feet of living area. The dwelling was constructed in 2007. Features of the home include a full basement with finished area, central air conditioning, three fireplaces, and a 780 square foot garage. The property has a 15,335 square foot site and is located in Hinsdale, Downers Grove Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within the subject's assessment neighborhood and from .1 of a mile to two miles from the subject. The comparables consist of three-story dwellings of frame or brick exterior construction ranging in size from 4,088 to 4,783 square feet of living area. The homes were built from 2002 to 2005. Each dwelling has central air conditioning, one or two fireplaces, a basement with finished area, and a garage ranging in

size from 440 to 736 square feet of building area. The parcels range in size from 11,007 to 16,640 square feet of land area. The comparables sold from June 2023 to May 2024 for prices ranging from \$1,500,000 to \$2,225,000 or from \$345.30 to \$477.57 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$581,960, for an estimated market value of \$1,746,055 or \$393.97 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$725,726. The subject's assessment reflects a market value of \$2,177,396 or \$491.29 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.<sup>1</sup>

In support of its contention of the correct assessment the board of review submitted information on six comparable sales located within the subject's assessment neighborhood and within .87 of a mile of the subject. The comparables consist of two-story or three-story dwellings of frame, brick, or frame and brick exterior construction ranging in size from 4,015 to 5,077 square feet of living area. The dwellings were built from 2000 to 2008. Each dwelling has central air conditioning, two to four fireplaces, a basement with finished area, and a garage ranging in size from 472 to 823 square feet of building area. The parcels range in size from 11,385 to 21,080 square feet of land area. The comparables sold from January 2023 to June 2024 for prices ranging from \$2,175,000 to \$3,500,000 or from \$528.46 to \$771.53 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 11 comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #2 and #5, which are located more than one mile from the subject. The Board also gives reduced weight to board of review comparables #1 and #5, which differ from the subject in dwelling size and/or design.

The Board finds the best evidence of market value to be the appellant's comparable sales #1, #3, and #4 along with board of review comparable sales #2, #3, #4, and #6, which sold proximate to the assessment date at issue and are similar to the subject in age, location, dwelling size, and

<sup>1</sup> Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2024.

features. These most similar comparables sold from January 2023 to May 2024 for prices ranging from \$1,581,500 to \$3,100,000 or from \$381.56 to \$771.53 per square foot of living area, including land. The subject's assessment reflects a market value of \$2,177,396 or \$491.29 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
