

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steve Liliquist
DOCKET NO.: 24-04419.001-R-1
PARCEL NO.: 09-05-422-002

The parties of record before the Property Tax Appeal Board are Steve Liliquist, the appellant, by attorney Brianna L. Golan, of Golan Christie Taglia LLP in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$90,494
IMPR.: \$95,726
TOTAL: \$186,220

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame exterior construction with 1,600 square feet of living area. The dwelling was constructed in 1954. Features of the home include a partial basement, central air conditioning, a fireplace, and a 440 square foot garage. The property has an 11,880 square foot site and is located in Downers Grove, Downers Grove Township, DuPage County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables located within .2 of a mile of the subject. The comparables consist of one-story or two-story dwellings of frame or brick exterior construction ranging in size from 1,032 to 1,416 square feet of living area. The homes were built from 1953 to 1960. Each dwelling has a full or partial basement and a garage ranging in size from 400 to 576 square feet of building area. One

comparable has central air conditioning. The comparables have improvement assessments ranging from \$47,308 to \$62,614 or from \$43.73 to \$53.11 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$76,688 or \$47.93 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$186,220. The subject property has an improvement assessment of \$95,726 or \$59.83 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables located within the subject's assessment neighborhood and within .64 of a mile of the subject.¹ The comparables consist of one-story dwellings of frame, brick, or frame and brick exterior construction ranging in size from 1,367 to 1,489 square feet of living area. The homes were built from 1947 to 1954. Each dwelling has a partial basement and a garage ranging in size from 280 to 946 square feet of building area. Two comparables have central air conditioning and one comparable has a fireplace. The comparables have improvement assessments ranging from \$85,153 to \$92,724 or from \$59.48 to \$65.90 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the comparables submitted by the appellant, as well as board of review comparable #3, which differ from the subject in design, dwelling size, and/or lack central air conditioning, a feature of the subject.

The Board finds the best evidence of assessment equity to be the board of review comparables #1 and #2, which are similar to the subject in age, location, dwelling size, and features. These comparables have improvement assessments of \$88,569 and \$92,724 or \$59.48 and \$65.90 per square foot of living area. The subject's improvement assessment of \$95,726 or \$59.83 per square foot of living area is slightly above the two best comparables in this record overall and bracketed by the comparables on a per-square-foot basis. The subject's higher overall assessment appears logical given the subject's larger dwelling in relation to the two best comparables. Based on this record and after considering adjustments to the best comparables for

¹ The Board finds the board of review's comparable #4, consisting of an unimproved lot, is not responsive to the appellant's improvement equity argument and will not be further analyzed.

differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
