

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Les & Deborah Kalman
DOCKET NO.: 24-04579.001-R-1
PARCEL NO.: 09-01-222-004

The parties of record before the Property Tax Appeal Board are Les & Deborah Kalman, the appellants, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$123,792
IMPR.: \$261,000
TOTAL: \$384,792

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and brick exterior construction with 3,480 square feet of living area. The dwelling was constructed in 1989. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 517 square foot garage. The property has a 9,534 square foot site and is located in Hinsdale, Downers Grove Township, DuPage County.

The appellants contend assessment inequity with regard to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located in the subject's assessment neighborhood and within .77 of a mile of the subject. The comparables consist of two-story dwellings of vinyl/wood siding exterior construction ranging in size from 3,110 to 3,960 square feet of living area. The homes were built from 1984 to 1988. Each dwelling has central air conditioning, a fireplace, a basement, and a

garage ranging in size from 462 to 598 square feet of building area. The comparables have improvement assessments ranging from \$209,695 to \$301,777 or from \$62.76 to \$76.21 per square foot of living area. Based on this evidence, the appellants requested a reduced improvement assessment of \$244,296 or \$70.20 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$397,972. The subject property has an improvement assessment of \$274,180 or \$78.79 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables located within the subject's assessment neighborhood and within .68 of a mile of the subject. The comparables consist of two-story dwellings of frame and brick exterior construction ranging in size from 3,365 to 3,485 square feet of living area. The homes were built from 1930 to 1957, with comparable #2 having been built in 1954 and having an effective age of 1975. Each dwelling has central air conditioning, one or two fireplaces, a basement with two having finished area, and a garage ranging in size from 506 to 625 square feet of building area. The comparables have improvement assessments ranging from \$262,715 to \$275,007 or from \$77.61 to \$78.92 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellants argued that the board of review's comparables differ from the subject in age and therefore should receive less weight in the Board's analysis.

Conclusion of Law

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of six equity comparables to support their respective positions before the Property Tax Appeal Board. The Board gives reduced weight to the comparables submitted by the board of review, which differ from the subject in age. The Board finds the best evidence of assessment equity to be the comparables presented by the appellants, which are similar to the subject in age, location, dwelling size, and features. The comparables have improvement assessments ranging from \$209,695 to \$301,777 or from \$62.76 to \$76.21 per square foot of living area. The subject's improvement assessment of \$274,180 or \$78.79 per square foot of living area falls within the range established by the best comparables in this record overall and above the range on a per-square-foot basis. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellants demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
