

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Darrel Presley
DOCKET NO.: 24-04780.001-R-1
PARCEL NO.: 02-13-331-014

The parties of record before the Property Tax Appeal Board are Darrel Presley, the appellant; and the Williamson County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Williamson** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,990
IMPR.: \$47,340
TOTAL: \$57,330

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Williamson County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of vinyl siding exterior construction with 2,088 square feet of living area. The dwelling was constructed in 2006. Features of the home include a concrete slab foundation, central air conditioning, and a four-car garage. The property has a 21,600 square foot site and is located in Johnston City, Herrin Township, Williamson County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$193,000 as of March 3, 2025. The appellant also submitted a copy of the board of review final decision disclosing the subject's total assessment of \$57,330. The subject's assessment reflects a market value of \$172,007 or \$82.38 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of the assessment and was found in default by letter dated January 15, 2026.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the only evidence of market value in the record to be the appraisal submitted by the appellant estimating the subject to have a market value of \$193,000 as of March 3, 2025. The board of review did not submit any evidence in support of the correct assessment or to refute the value evidence submitted by the appellant. Therefore, the board of review was found in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill. Admin. Code §1910.69(a). The subject's assessment reflects a market value of \$172,007, which is below the appraised value. Based on the evidence in this limited record, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
