

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Carter Walker
DOCKET NO.: 24-04910.001-R-1
PARCEL NO.: 04-01-001-016

The parties of record before the Property Tax Appeal Board are Carter Walker, the appellant; and the Wayne County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Wayne** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,234
IMPR.: \$61,722
TOTAL: \$67,956

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from the 2022 assessment year decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) allowing for a direct appeal in order to challenge the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame exterior construction with 1,560 square feet of living area. The dwelling was constructed in 2021. Features of the home include a crawl space foundation, central air conditioning, a fireplace and a 900 square foot garage. The property has an approximately 10-acre site and is located in Geff, Berry Township, Wayne County.

The appellant contends the assessment of the subject property as established by the decision of the Property Tax Appeal Board for the 2022 tax year should be carried forward to the 2024 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The appellant disclosed the subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board a prior year under Docket Number 22-04271.001-

R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$55,967 based on the evidence submitted by the parties.

The Board takes judicial notice that on January 20, 2026 the Board issued a decision for the subject's 2023 assessment under Docket Number 23-06128.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$60,454 based on the evidence submitted by the parties.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$67,993. The board of review's Notes disclosed 2023 was the first year of the general assessment cycle for the subject property and that an equalization factor of 1.1241 was issued in Berry Township for tax year 2024.

In support of its contention of the correct assessment the board of review submitted documentation indicating 2023 is the first year of the general assessment cycle for the subject property and that, pursuant to section 16-185 of the Property Tax Code, (35 ILCS 200/16-185) the subject is not eligible for a rollover since tax years 2022 and 2024 are not within the same general assessment cycle. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2022 tax year should be carried forward to the 2024 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds evidence in the record supports a reduction in the assessment of the subject.

The Property Tax Appeal Board finds that 2023 is the first year of the general assessment cycle in Berry Township, Wayne County and that the subject property was the subject matter of an appeal for the 2023 tax year wherein the Property Tax Appeal Board lowered the subject's assessment to \$60,454. Since tax years 2023 and 2024 are in the same general assessment cycle, the rollover provision is controlling.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2023 tax year. The record further indicates that the subject property is an owner-occupied dwelling, that tax years 2023 and 2024 are within the same general assessment period and that Berry Township issued an equalization factor of 1.1241 for the 2024. Therefore, the subject's 2023 assessment shall be carried forward to the 2024 tax year pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) subject only to the application of the equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
