

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Oliver Haynold
DOCKET NO.: 24-20317.001-R-1
PARCEL NO.: 11-07-119-032-0000

The parties of record before the Property Tax Appeal Board are Oliver Haynold, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,750
IMPR.: \$42,250
TOTAL: \$51,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of frame construction with 1,536 square feet of living area that is approximately 136 years old. The features of the subject property include 1½ baths, a full unfinished basement, and a 1-car garage. The property has a 3,500 square foot site and is located in Evanston, Evanston Township, Cook County. The subject is classified as a class 2-03 property¹ under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of appeal. In support of this argument, the appellant submitted information on four equity comparables located within .5 of a mile from the subject and within the same assessment neighborhood code as the subject property. The comparables consist of 1-story or 1.5-story, class

¹ One-story residence, any age, with 1,000 to 1,800 square feet of living area.

2-03 dwellings of frame or frame and masonry construction ranging in size from 1,377 to 1,655 square feet of living area and ranging in age from 69 to 130 years old. Each comparable features 1.5 or 2 bathrooms, a full basement (however it was not disclosed whether the basements have a finished area), and a 1-car or a 2-car garage. Three comparables have 1 or 2 fireplaces. The comparables have improvement assessments that range from \$35,678 to \$42,661 or from \$24.62 to \$26.78 per square foot of living area. The appellant also submitted a brief requesting a reduction to the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$51,000. The subject property has an improvement assessment of \$42,250 or \$27.51 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three equity comparables as comparables #2 and #3 are the same property. The comparables are located within the "same block" or within ¼ of a mile from the subject property. The comparables consist of 1-story or 1.5-story, class 2-03 dwellings of frame or stucco construction ranging in size from 1,311 to 1,615 square feet of living area and ranging in age from 117 to 136 years old. The comparables each feature 1, 1.5, or 2 bathrooms, a full basement (one with formal recreation room), and a 1-car, a 1.5-car, or a 2-car garage. The comparables have improvement assessments ranging from \$37,448 to \$46,750 or from \$28.37 to \$33.98 per square foot of living area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven equity comparables in support of their positions before the Property Tax Appeal Board. The Board gave less weight to appellant's comparables #1 and #3 based on their significantly newer ages relative to the subject dwelling. The Board also gave less weight to board of review comparable #1 due to having a finished basement which the subject lacks.

The Board finds the best evidence of equity in assessment to be appellant's comparables #2 and #4, along with board of review comparables #2, #3, and #4 which are overall most similar to the subject in location, dwelling size, design, age, and some features. The best comparables in this record have improvement assessments ranging from \$35,701 to \$46,750 or from \$25.50 to \$33.98 per square foot of living area. The subject's improvement assessment of \$42,250 or \$27.51 per square foot of living area falls within the range established by the best equity comparables in this record in both in terms of overall improvement assessment and on a per square foot of living area basis. After considering adjustments to the best comparables in this record for any differences from the subject, the Board finds that the appellant did not establish by

clear and convincing evidence that the subject's improvement is inequitably assessed and, therefore, a reduction in the subject's improvement assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
