

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Shapiro
DOCKET NO.: 24-20461.001-R-1
PARCEL NO.: 10-12-101-028-0000

The parties of record before the Property Tax Appeal Board are Mark Shapiro, the appellant(s), by attorney Kyle Gordon Kamego, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,378
IMPR.: \$54,413
TOTAL: \$70,791

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of stucco exterior with 2,413 square feet of living area. The dwelling was 120 years old. Features of the home include a full basement, central air conditioning, a fireplace, and a two-car garage. The property has a 7,279 square foot site and is located in Evanston, Evanston Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four class 2-06 equity comparable properties with varying degrees of similarities to the subject which are located within a 0.5-mile radius of the subject. The improvements ranged in age from 108 to 115 years; in size from 2,348 to 2,892 square feet of living area; and in improvement assessment from \$21.51 to \$22.31 per square foot

of living area. Appellant disclosed that this is an owner-occupied residence. Based on this evidence the appellant is seeking a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$74,170. The subject property has an improvement assessment of \$57,792 or \$23.95 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four class 2-06 equity comparable properties with varying degrees of similarities to the subject which are located within the same subarea as the subject. The improvements ranged: in age from 105 to 157 years; in size from 2,356 to 2,555 square feet of living area; and in improvement assessment from \$23.14 to \$27.96 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity. However, the subject had a previous decision. The Property Tax Appeal Board finds that the assessment as established by the Board for the 2023 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.
(35 ILCS 200/16 -185)

Additionally, "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10 15. The Board takes official notice that it rendered a decision lowering the subject's assessment for tax year 2023 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2023 and the instant tax year of 2024 are in the same general assessment period for Evanston Township. The Board further finds that the subject is owner occupied based on the appellant's response to Section 1b of the residential appeal form, which states that the subject is owner occupied. The record contains no evidence indicating that the subject sold in an arm's length transaction subsequent to the Board's decision for the 2023 tax year, or that the Board's decision for the 2023 tax year was reversed or modified upon review. For these reasons, the Board finds by a preponderance of the evidence that the subject's assessment should be carried forward to the 2024 tax year, pursuant to section 16-185 of the Property Tax Code, to reflect the Board's decision for the 2023 tax year, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
