

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nazir Ahmed  
DOCKET NO.: 24-22277.001-R-1  
PARCEL NO.: 10-36-412-017-0000

The parties of record before the Property Tax Appeal Board are Nazir Ahmed, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$10,968  
**IMPR.:** \$57,033  
**TOTAL:** \$68,001

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The property consists of a 4,387 square foot site and is in Chicago, Rogers Park Township, Cook County. The subject is improved with an approximately 99-year-old two-story dwelling of masonry construction with 4,978 square feet of living area. Features include a full basement, four bathrooms, and a two-car garage. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales. These comparable properties are located within 0.29 miles of the subject property, are 95- to 100-year-old 2-11 residences of masonry construction and have between 3,842 and 7,102 square feet of living area. These comparable properties sold between January 2022 and July 2023 for prices ranging from \$255,00

to 665,000 or \$66.37 to \$121.07 per square foot. The appellant is requesting a total assessment be reduced to \$49,058.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$68,001. The subject's assessment reflects a market value of \$680,010 or \$136.60 per square foot of living area, including land, when applying the median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales. These comparable properties are in the same neighborhood and within a quarter mile of the subject property. They range; in age from 99 to 101 years old; in size from 3,866 to 4,812 square feet of living area and sold between April 2021 to June 2023 for prices ranging from to \$605,000 to \$787,000 or \$138.19 to \$163.55 per square foot. The board of review is requesting that the current assessment level be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #1 and #2 and the board of review's comparable sales #1 and #4. The best comparable properties sold for prices ranging from \$113.12 to \$139.72 per square foot of living area, including land. The subject's assessment reflects a market value of \$136.60 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
