

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mike Iancu
DOCKET NO.: 24-22310.001-R-1
PARCEL NO.: 11-31-115-009-0000

The parties of record before the Property Tax Appeal Board are Mike Iancu, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,138
IMPR.: \$40,064
TOTAL: \$51,202

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The property consists of a 4,950 square foot site and is in Chicago, Rogers Park Township, Cook County. The subject is improved with an approximately 99-year-old two-story dwelling of masonry construction with 3,292 square feet of living area. Features include a full basement, two bathrooms, and a two-car garage. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales. These comparable properties are located within 0.36 miles of the subject property, are 72- to 116-year-old residences of masonry construction and are between 2,370 and 5,508 square feet of living area. These comparable properties sold between January 2022 and September 2024 for prices ranging from \$267,500 to

\$740,000 or \$77.46 to \$150.93 per square foot. The appellant is requesting a total assessment be reduced to \$37,684.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$51,203. The subject's assessment reflects a market value of \$512,030 or \$155.53 per square foot of living area, including land, when applying the median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on two comparable sales. These comparable properties are not in the same neighborhood as the subject and within an undisclosed distance of the subject property. They range; in age from 111 to 127 years old; in size from 1,980 to 2,926 square feet of living area and sold between July 2021 to September 2023 for prices ranging from \$485,000 to \$690,000 or \$204.81 to \$348.48 per square foot. The board of review is requesting that the current assessment level be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

Under 86 Ill.Admin.Code §1910.65(c)(4) proof of the market value of the subject property may consist of the ...documentation of not fewer than three recent sales of suggested comparable properties together with documentation of the similarity, proximity and lack of distinguishing characteristics of the sales comparables to the subject property.

The board of review submitted two suggested recent sales. These varied from the subject in size, were in different neighborhoods, had no information regarding proximity, and are given no weight. Appellant's comparable sales #3 and #4 did have some similarities to the subject but varied in size and other features. After weighing the evidence, the Board concludes the appellant failed to submit evidence sufficient to challenge the assessment. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
