

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James DuBrock
DOCKET NO.: 24-22845.001-R-1
PARCEL NO.: 09-35-327-001-0000

The parties of record before the Property Tax Appeal Board are James DuBrock, the appellant, by attorney Brian S. Maher, of Weis, DuBrock, Doody & Maher in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,913
IMPR.: \$25,710
TOTAL: \$39,623

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an owner-occupied one-story dwelling of masonry exterior construction with 1,714 square feet of living area. The dwelling is approximately 75 years old. Features of the home include a full basement, central air conditioning, and a 2-car garage. The property has an 8,184 square foot site and is located in Park Ridge, Maine Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the subject's assessment neighborhood. The comparables consist of one-story class 2-03 dwellings of masonry exterior construction ranging in size from 1,215 to 1,669 square feet of living area. The homes range in age from 68 to 72 years old. Each dwelling

has central air conditioning, a full or partial basement, and a 1-car or 2-car garage. Three comparables each have a fireplace. The comparables have improvement assessments ranging from \$17,105 to \$24,170 or from \$13.78 to \$14.82 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$24,493 or \$14.29 per square foot of living area.

The Board takes judicial notice that this property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 23-24902.001-R-1 where the appellant was the same and the property was also reported to be owner-occupied as it is in this 2024 appeal. In the 2023 appeal, the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$39,623 based on the evidence submitted by the parties.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$41,954. The subject property has an improvement assessment of \$28,041 or \$16.36 per square foot of living area. The board of review also disclosed that 2022 was the first year of the general assessment period.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the subject's assessment neighborhood. The comparables consist of one-story class 2-03 dwellings of frame, masonry, or frame and masonry exterior construction ranging in size from 1,403 to 1,789 square feet of living area. The homes range from 60 to 67 years old. Each dwelling has a full or partial basement. Two comparables have central air conditioning, one comparable has a fireplace, and three comparables each have a two-car garage. The comparables have improvement assessments ranging from \$26,460 to \$31,460 or from \$17.41 to \$18.98 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b).

The Board finds, pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) a reduction in the subject's assessment is warranted. In pertinent part, section 16-185 of the Property Tax Code provides:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash

value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds that the subject property was the subject matter of an appeal before the Property Tax Appeal Board for the 2023 tax year under Docket No. 23-24902.001-R-1 in which a decision was issued based upon the evidence presented by the parties reducing the subject's assessment to \$39,623. The record indicates that the subject property is an owner-occupied dwelling. The Board also finds that the 2023 and 2024 tax years are within the same general assessment period and no equalization factor was applied in Maine Township in 2024. Furthermore, the decision of the Property Tax Appeal Board for the 2023 tax year has not yet been reversed or modified upon review and there was no evidence the subject property recently sold as of the January 1, 2024 assessment date in order to establish a different fair cash value. Therefore, applying section 16-185 of the Property Tax Code would result in a reduced total assessment of \$39,623.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
