

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Abdul Mohammed
DOCKET NO.: 24-22988.001-R-1
PARCEL NO.: 09-13-100-081-0000

The parties of record before the Property Tax Appeal Board are Abdul Mohammed, the appellant(s), by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,748
IMPR.: \$42,289
TOTAL: \$51,037

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an approximately one-year-old two-story dwelling of frame construction with 2,976 square feet of living area. Features of the home include a full finished basement, central air conditioning, a fireplace and a two-car garage. The property has a 7,607 square foot site and is located in Morton Grove, Maine Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables. These comparables have the same neighborhood code as the subject property, but the appellant did not state the proximity of these comparables to the subject property. These are class 2-78 two story residences that are between 49 and 58 years old, have masonry or frame and masonry

construction, contain two or three bathrooms, have full basements, four comparables have central air conditioning while one does not, have one fireplace, a two-car garage, contain between 2,808 and 2,959 square feet of living area, and have improvement assessments between \$13.04 and \$13.28 per square foot. The appellant is requesting a total assessment of \$48,031.

Furthermore, the subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 22-36004.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$51,037 on the evidence submitted by the parties. The tax years 2022, 2023, and 2024 are within the same general assessment period for Maine Township and the appellant disclosed that the subject property is an owner-occupied residence.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$68,863. The subject property has an improvement assessment of \$60,115 or \$20.20 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three equity comparables. These comparables do not have the same neighborhood code as the subject property, as one comparable is also located in Morton Grove in the same "subarea" as the subject property, while the other comparables are located in Niles and Des Plaines. These are two-story residences, that are between two and 24 years old, with masonry construction, have between three and 5.5 bathrooms, have full or partial basements, central air conditioning, one to two fireplaces, have a one- or two-car garage, contain between 2,909 and 3,199 square feet of living area, and have improvement assessments between \$20.98 and \$22.29 per square foot.

Conclusion of Law

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2022 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. Additionally, section 10-15 of the Illinois Administrative Procedure Act states: "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10-15. The Board takes official notice that under 22-36004.001-R-1 it rendered a decision lowering the subject's assessment for tax year 2022 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2022 and the instant tax year of 2024 are in the same general assessment period for Maine Township. The Board further finds that the

subject is owner-occupied based on the appellant's statement in Section II of the 2024 appeal form, which states that the subject is owner-occupied. The record contains no evidence indicating that the subject sold in an arm's-length transaction subsequent to the Board's decision for the 2022 tax year, or that the Board's decision for the 2022 tax year was reversed or modified upon review. For these reasons the Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's 2022 tax year decision, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
