

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sharon and Michael B. Zeddies
DOCKET NO.: 24-23487.001-R-1
PARCEL NO.: 05-18-309-002-0000

The parties of record before the Property Tax Appeal Board are Sharon and Michael B. Zeddies, the appellants, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$38,022
IMPR.: \$47,978
TOTAL: \$86,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame and masonry exterior construction with 2,287 square feet of living area. The home was built in 1956 and is approximately 68 years old. Features include a partial basement, two fireplaces, and a 2-car garage. The property has a 21,727 square foot site and is located in Winnetka, New Trier Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellants submitted information on four equity comparables located within the subject's assessment neighborhood and from 0.5 of a mile to 1.4 miles from the subject property. The comparables are improved with 1-story, class 2-04 dwellings of frame or masonry exterior construction ranging in size from 2,233 to 2,764 square

feet of living area. The homes range in age from 66 to 102 years old. Each comparable has a full or partial basement and a 1-car or a 2-car garage. Three comparables each have one or two fireplaces. The comparables have improvement assessments ranging from \$37,022 to \$52,516 or from \$16.22 to \$19.00 per square foot of living area. Based on this evidence, the appellants requested that the improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$86,000. The subject property has an improvement assessment of \$47,978 or \$20.98 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the subject's assessment neighborhood and on the same block or ¼ of a mile from the subject property. The comparables are improved with 1-story, class 2-04 dwellings of frame and masonry exterior construction ranging in size from 1,948 to 2,508 square feet of living area. The homes range in age from 62 to 69 years old. Each comparable has a full or partial basement, one of which has finished area, from one to three fireplaces, and a 2-car garage. Three comparables each have central air conditioning. The comparables have improvement assessments ranging from \$41,804 to \$54,323 or from \$21.46 to \$22.33 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The appellants contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested equity comparables for the Board's consideration. The Board gives less weight to the appellants' comparables and board of view comparable #3 due to differences relative to the subject in location, age, and/or dwelling size.

The Board finds the best evidence of assessment equity to be board of review comparables #1, #2, and #4, which are more similar to the subject in location, design/class, age, and dwelling size with varying degrees of similarity in other features which would require appropriate adjustments to make them more equivalent to the subject. The best comparables have improvement assessments ranging from \$47,602 to \$54,323 or from \$21.66 to \$22.33 per square foot of living area. The subject's improvement assessment of \$47,978 or \$20.98 per square foot of living area falls within the range established by the best comparables in this record on an overall improvement assessment basis and below the range on a per square foot basis. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
