

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: George & Dorothy Sullivan
DOCKET NO.: 24-23740.001-R-1
PARCEL NO.: 05-29-408-007-0000

The parties of record before the Property Tax Appeal Board are George & Dorothy Sullivan, the appellants, by attorney Brian S. Maher, of Weis, DuBrock, Doody & Maher in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$40,512
IMPR.: \$73,951
TOTAL: \$114,463

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 3,344 square feet of living area. The dwelling is approximately 69 years old. Features of the home include a full basement, central air conditioning, 2 fireplaces, and a 2-car garage. The property has a 20,256 square foot site and is located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellants submitted information on four equity comparables that are located within the same assessment neighborhood as the subject and from 0.30 to 0.40 of a mile from the subject property. The comparables consist of class 2-06, 2-story dwellings of frame, masonry or frame or masonry exterior construction ranging in size from

3,198 to 3,937 square feet of living area. The dwellings are 66 to 76 years old. The comparables have a full or a partial basement, and one dwelling has a slab foundation. One comparable has central air conditioning, three comparables have 1 or 2 fireplaces, and each comparable has a 1-car, a 1.5-car or a 2-car garage. The comparables have improvement assessments ranging from \$56,574 to \$69,400 or from \$17.33 to \$17.97 per square foot of living area. Based on this evidence, the appellants requested that the improvement assessment be reduced to \$59,022.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$114,463. The subject property has an improvement assessment of \$73,951 or \$22.11 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four comparables that are located within the same assessment neighborhood and the subject's same block or within approximately $\frac{1}{4}$ of a mile from the subject property. The comparables consist of class 2-06, 2-story dwellings of frame and masonry exterior construction ranging in size from 3,301 to 3,969 square feet of living area. The comparables are 71 to 76 years old. The comparables have a partial or a full basement, central air conditioning, 1 to 3 fireplaces and a 2-car garage. The comparables have improvement assessments ranging from \$83,069 to \$112,362 or from \$23.40 to \$32.97 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gives less weight to the appellants' comparables #1, #2 and #3 along with the board of review comparable #4 due to differences in their considerably larger dwelling sizes, lack of central air conditioning and/or dissimilar foundation type when compared to the subject. The Board also gives less weight to the board of review comparable #2 which appears to be an outlier with its significantly higher improvement assessment relative to the other comparables in the record.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables that are relatively similar to the subject in location, age, dwelling size, foundation type and some features. These three comparables have improvement assessments ranging from \$64,962 to \$85,364 or from \$17.97 to \$24.05 per square foot of living area. The subject's improvement assessment of \$73,951 or \$22.11 per square foot of living area falls within the range established by the best comparables in this record. After considering the adjustments to the best comparables for differences from the subject, the Board finds the appellants did not demonstrate

with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
