

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Patricia Maloney  
DOCKET NO.: 24-23773.001-R-1  
PARCEL NO.: 05-35-118-002-0000

The parties of record before the Property Tax Appeal Board are Patricia Maloney, the appellant, by attorney Brian S. Maher, of Weis, DuBrock, Doody & Maher in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$30,800  
**IMPR.:** \$53,708  
**TOTAL:** \$84,508

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of stucco exterior construction with 2,170 square feet of living area. The dwelling is approximately 114 years old. Features of the home include a full basement, a fireplace, and a 2-car garage. The property has an 11,200 square foot site and is located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four comparables located within the same assessment neighborhood code as the subject. The comparables have varying degrees of similarity to the subject in design, dwelling size, age and features. The comparables have improvement assessments ranging from \$44,200 to \$54,023 or from \$22.55 to \$25.96 per square foot of living area.

In the appeal petition, the appellant disclosed the subject is an owner-occupied residence. The Board takes judicial notice that the subject property was the subject matter of an appeal before the Board the prior tax year as Docket No. 23-22014 in which the Board issued a decision lowering the subject's assessment to \$84,508 based on the evidence submitted by the parties.

Based on this equity evidence, the appellant requested that the subject's improvement assessment be reduced to \$53,708 or \$24.75 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject property of \$91,213. The subject property has an improvement assessment of \$60,413 or \$27.84 per square foot of living area. The board of review disclosed 2022 was the first year of the general assessment cycle for the subject and that no equalization factor was applied in New Trier Township in 2024.

In support of its contention of the correct assessment, the board of review submitted information on four comparables located within the same assessment neighborhood code as the subject. The comparables have varying degrees of similarity to the subject in design, dwelling size, age and features. The comparables have improvement assessments ranging from \$45,698 to \$65,000 or from \$28.07 to \$31.74 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds, pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) a reduction in the subject's assessment is warranted. In pertinent part, section 16-185 of the Property Tax Code provides:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds that the subject property was the subject matter of an appeal before the Board for the 2023 tax year under Docket No. 23-22014 in which a decision was issued based upon the

evidence presented by the parties reducing the subject's assessment to \$84,508.<sup>1</sup> The record further disclosed the subject property is an owner-occupied dwelling. The Board also finds that the 2023 and 2024 tax years are within the same general assessment period and no equalization factor was applied in New Trier Township in 2024. Furthermore, the decision of the Board for the 2023 tax year has not yet been reversed or modified upon review and there was no evidence the subject property recently sold establishing a different fair cash value. Applying section 16-185 of the Property Tax Code would result in a reduced total assessment of \$84,508, which is less than the 2024 assessment of the subject property of \$91,213.

---

<sup>1</sup> Both the 2023 and 2024 tax year decisions are being issued simultaneously by the Property Tax Appeal Board.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
