

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Suzanne Moustakas Trust
DOCKET NO.: 24-24320.001-R-1
PARCEL NO.: 23-25-220-001-0000

The parties of record before the Property Tax Appeal Board are Suzanne Moustakas Trust, the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,778
IMPR.: \$22,022
TOTAL: \$31,800

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an 88-year-old, two-story, single-family dwelling of frame construction with 2,208 square feet of living area. Located in Palos Heights, Palos Township, Cook County, the subject property has a 15,644 square foot site. The subject property is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$318,000 after appropriate adjustments, as of January 1, 2023. The appraiser utilized the sales comparison approach based on four sales comparables that sold between March 2021 and December 2022 for prices ranging from \$260,000 to \$352,000. Appellant also submitted a copy of the board of review's written decision providing for a total assessed valuation for the subject property of

\$34,397. Based on this evidence, appellant requests the subject property's total assessment be reduced to \$31,800.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$34,397. The subject's assessment reflects a market value of \$343,970, or \$155.78 per square foot of living area, including land, when applying the level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted three comparable sales properties. Each of the comparable properties were improved with a two-story, single-family dwelling, of either frame or masonry construction. They ranged in living area square feet from 2,355 to 2,643. The board of review's comparables sold between June of 2022 and December of 2023 for prices ranging from \$415,000 to \$510,000, or from \$166.00 to \$216.56 per square foot of living area, including land.

In rebuttal, the appellant contends the appraiser's comparable #4 does not include basement square footage, the appraiser's comparable #2 is an arm's length transaction sale, the appraiser's comparable #3 is appropriately adjusted for differences from the subject property, and the appraiser's comparable #4 is just over one mile distance from the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *did meet* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be *the appraisal submitted by appellant*. The appraiser utilized the sales comparison approach based on four sales comparables. After the appraiser made appropriate adjustments, the appraiser estimated the market value of the subject property to be \$318,000 as of January 1, 2023. The subject's assessment of \$34,397 reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$318,000 as of the assessment date at issue. Since market value has been established the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
