

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Julie & Christopher Tritsis
DOCKET NO.: 24-24648.001-R-1
PARCEL NO.: 05-34-210-009-0000

The parties of record before the Property Tax Appeal Board are Julie & Christopher Tritsis, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,638
IMPR.: \$68,362
TOTAL: \$85,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 2,335 square feet of living area. The dwelling was approximately 121 years old. Features of the home include a full basement, a fireplace, and a 1.5-car garage. The property has a 6,050 square foot site and is located in Wilmette, New Trier Township, Cook County. The property is a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance. The appellant disclosed that this is an owner-occupied residence.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$850,000 as of January 1, 2023. The appraisal was prepared by a certified residential real estate appraiser who asserted that the highest and best use of the subject property as improved was its present

use. The appraiser inspected the property on May 3, 2024 and used the sales comparison and cost approaches to valuation.

Under the sales comparison approach, the appraiser utilized four comparable sales properties located within 0.85-mile radius of the subject property. The comparable properties sites ranged in size from 5,720 to 11,200 square feet of land area and from 1,967 to 2,816 square feet of living area. The properties are each improved with a two-story single-family dwelling of frame or brick construction, or frame and stucco exterior, that were from 96 to 108 years old. The comparable properties sold from April 2022 to November 2022 for prices ranging from \$820,000 to \$947,500 or from \$317.09 to \$432.13 per square foot of living area, land included in the sales prices. The appraiser adjusted, as applicable, for gross living area, basement/finish, functional utility, deck, room count, rooms below grade, garage, site, condition and HVAC. The appraiser concluded that based on the sales data and applying adjustments to the comparable sales for differences from the subject, the subject had a market value of \$850,000.

Under the cost approach the appraiser used the MRED, builders, and Marshall and Swift source of cost data to estimate the new replacement cost for the improvement. The appraiser considered the cost of the site, improvement, basement, porch, garage, and depreciation to arrive at an estimated value by cost approach of \$857,000.

In reconciling the approaches to valuation, the appraiser relied on the sales comparison approach and asserted that this approach is most reflective of buyer and seller expectations in the subject market. Based on this evidence the appellant is seeking a reduction in the subject's assessment to reflect the appraised value under the sales comparison approach to valuation of \$850,000. The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$102,151. The subject's assessment reflects a market value of \$1,021,510 or \$437.48 per square foot of living area, including land, when applying the median level of assessments for class two property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales properties which sold from May 2022 to August 2024 for sales prices from \$925,000 to \$1,550,000 or from \$4449.47 to \$614.10 per square foot of living area, land included in the sales prices. These properties were located within different neighborhood codes than the subject. The improvements were from 98 to 122 years old and were from 2,058 to 2,800 square feet of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends overvaluation in the assessment process. However, the subject had a previous decision. The Property Tax Appeal Board finds that the assessment as established by the Board for the 2023 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.
35 ILCS 200/16 -185.

Additionally, "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10 15. The Board takes official notice that it rendered a decision lowering the subject's assessment for tax year 2023 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2023 and the instant tax year of 2024 are in the same general assessment period for New Trier Township. The Board further finds that the subject is owner occupied based on the appellant's response to Section 1b of the residential appeal form, which states that the subject is owner occupied. The record contains no evidence indicating that the subject sold in an arm's length transaction subsequent to the Board's decision for the 2023 tax year, or that the Board's decision for the 2023 tax year was reversed or modified upon review. For these reasons, the Board finds by a preponderance of the evidence that the subject's assessment should be carried forward to the 2024 tax year, pursuant to section 16-185 of the Property Tax Code, to reflect the Board's decision for the 2023 tax year, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.

DISSENTING: _____

CERTIFICATION

As Clerk of the Illinois Property Tax Appeal Board and the keeper of the Records thereof, I do hereby certify that the foregoing is a true, full and complete Final Administrative Decision of the Illinois Property Tax Appeal Board issued this date in the above entitled appeal, now of record in this said office.

Date: October 20, 2026

Clerk of the Property Tax Appeal Board

IMPORTANT NOTICE

Section 16-185 of the Property Tax Code provides in part:

"If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel after the deadline for filing complaints with the Board of Review or after adjournment of the session of the Board of Review at which assessments for the subsequent year or years of the same general assessment period, as provided in Sections 9-215 through 9-225, are being considered, the taxpayer may, within 30 days after the date of written notice of the Property Tax Appeal Board's decision, appeal the assessment for such subsequent year or years directly to the Property Tax Appeal Board."

In order to comply with the above provision, YOU MUST FILE A PETITION AND EVIDENCE WITH THE PROPERTY TAX APPEAL BOARD WITHIN 30 DAYS OF THE DATE OF THE ENCLOSED DECISION IN ORDER TO APPEAL THE ASSESSMENT OF THE PROPERTY FOR THE SUBSEQUENT YEAR OR YEARS. A separate petition and evidence must be filed for each of the remaining years of the general assessment period.

Based upon the issuance of a lowered assessment by the Property Tax Appeal Board, the refund of paid property taxes is the responsibility of your County Treasurer. Please contact that office with any questions you may have regarding the refund of paid property taxes.
