

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ryan Watson
DOCKET NO.: 24-25005.001-R-1
PARCEL NO.: 05-28-410-006-0000

The parties of record before the Property Tax Appeal Board are Ryan Watson, the appellant(s), by attorney Kyle Gordon Kamego, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$39,600
IMPR.: \$96,368
TOTAL: \$135,968

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an approximately 82-year-old two-story dwelling of masonry construction with 4,694 square feet of living area. Features of the home include a full basement, 3.5 bathrooms, central air conditioning, two fireplaces and a two-car garage. The property has a 12,375 square foot site and is located in Kenilworth, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables. These comparables are located 0.2 to 1.2 miles from the subject property. The comparables are 69- or 92-year-old class 2-06 residences with frame construction, masonry construction or frame and masonry construction. These comparables have between 4,187 and 4,773 square feet of living area and

have improvement assessments between \$19.33 and \$21.11 per square foot. The appellant is requesting a total assessment of \$135,405.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$144,180. The subject property has an improvement assessment of \$144,180 or \$22.28 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables. Two of the comparables are located within the same "subarea". The board of review did not identify the proximity of comparables #3 and #4 to the subject property. These comparables are 87- to 99-year-old two-story residences with masonry construction or frame and masonry construction. The comparables have between 4,076 and 4,880 square feet of living area and have improvement assessments between \$22.87 and \$25.36 per square foot. The board of review is requesting that the current assessment be confirmed.

Conclusion of Law

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2023 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. 35 ILCS 200/16-185.

Additionally, section 10-15 of the Illinois Administrative Procedure Act states: "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10-15. The Board takes official notice that under 23-21823.001-R-1 it rendered a decision lowering the subject's assessment for tax year 2023 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2023 and the instant tax year of 2024 are in the same general assessment period for New Trier Township. The Board further finds that the subject is owner-occupied based on the appellant's statement in Section II of the 2024 appeal form, which states that the subject is owner-occupied. The record contains no evidence indicating that the subject sold in an arm's-length transaction subsequent to the Board's decision for the 2023 tax year, or that the Board's decision for the 2023 tax year was reversed or modified upon review. For these reasons the Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's 2023 tax year decision, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
