

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Christine Giannini
DOCKET NO.: 24-25136.001-R-1
PARCEL NO.: 16-31-130-002-0000

The parties of record before the Property Tax Appeal Board are Christine Giannini, the appellant, by attorney George J. Relias, of Relias Law Group, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,250
IMPR.: \$24,750
TOTAL: \$31,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,092 square feet of living area. The dwelling is approximately 112 years old. Features of the home include a full basement and a 2-car garage. The property has a 6,250 square foot site and is located in Berwyn, Berwyn Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .4 of a mile of the subject. The comparables consist of 2-story class 2-05 or 2-06 dwellings of frame exterior construction ranging in size from 2,132 to 2,252 square feet of living area. The homes are 92 to 131 years old. Each dwelling has a full basement with finished area and a 1-car, 2-car, or 2.5-car garage. Two comparables each have a fireplace. The parcels range in size from 4,011 to 6,150

square feet of land area. The comparables sold from May 2022 to June 2023 for prices ranging from \$135,500 to \$260,000 or from \$60.17 to \$121.95 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$20,551, for an estimated market value of \$205,510 or \$98.24 per square foot of living area, including land, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$31,000. The subject's assessment reflects a market value of \$310,000 or \$148.18 per square foot of living area, land included, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within the subject's assessment neighborhood and within .25 of a mile of the subject. The comparables consist of two-story class 2-05 or 2-06 dwellings of frame or stucco exterior construction ranging in size from 1,704 to 2,630 square feet of living area. The dwellings are 117 to 132 years old. Each dwelling has a 1-car or 2-car garage. Three comparables each have a full or partial basement, one comparable has a concrete slab foundation, and one comparable has a fireplace. The parcels range in size from 6,150 to 7,000 square feet of land area. The comparables sold from March 2022 to October 2023 for prices ranging from \$350,000 to \$425,000 or from \$161.60 to \$240.61 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #1 and #3, which sold less proximate to the January 1, 2024 assessment date at issue. The Board also gives reduced weight to the board of review's comparables #3 and #4, which differ from the subject in dwelling size, foundation, and/or sold less proximate to the January 1, 2024 assessment date. The Board finds the parties' remaining comparables sold proximate to the assessment date at issue and are similar to the subject in age, location, dwelling size, and most features. These comparables sold in June and October 2023 for prices ranging from \$245,000 to \$366,000 or from \$114.70 to \$190.42 per square foot of living area, including land. The subject's assessment reflects a market value of \$310,000 or \$148.18 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
