

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Renata Bielska
DOCKET NO.: 24-25877.001-R-1
PARCEL NO.: 16-30-109-014-0000

The parties of record before the Property Tax Appeal Board are Renata Bielska, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,219
IMPR.: \$21,316
TOTAL: \$26,535

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of masonry exterior construction with 1,605 square feet of living area. The dwelling is approximately 95 years old. Features of the home include a full basement with finished area, central air conditioning, and a 2-car garage.¹ The property has a 4,260 square foot site and is located in Berwyn, Berwyn Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located in the subject's assessment neighborhood and within .3 of a mile of the subject. The comparables consist of 1-story class 2-

¹ The board of review reported that the subject has central air conditioning, which was not refuted by the appellant in rebuttal.

03 dwellings of masonry exterior construction ranging in size from 1,064 to 1,450 square feet of living area. The homes are either 99 or 100 years old. Each dwelling has a fireplace, a full basement, and a 2-car garage. One comparable has central air conditioning. The parcels range in size from 4,158 to 5,000 square feet of land area. The comparables sold from August 2022 to May 2024 for prices ranging from \$110,000 to \$230,000 or from \$103.38 to \$159.04 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$23,041, for an estimated market value of \$230,140 or \$143.39 per square foot of living area, including land, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,353. The subject's assessment reflects a market value of \$263,530 or \$164.19 per square foot of living area, land included, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within the subject's assessment neighborhood and within .25 of a mile of the subject. The comparables consist of 1.5-story or 1.8-story class 2-03 dwellings of masonry exterior construction ranging in size from 1,233 to 1,584 square feet of living area. The dwellings are 87 to 102 years old. Each dwelling has central air conditioning, a full basement with three having finished area, and a 1-car, 2-car, or 2.5-car garage. The parcels range in size from 3,540 to 4,653 square feet of land area. The comparables sold from May 2022 to September 2024 for prices ranging from \$332,500 to \$440,000 or from \$227.43 to \$353.13 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #2 and #4, as well as the board of review's comparable #1, which sold less proximate to the January 1, 2024 assessment date at issue. The Board finds the parties' remaining comparables sold proximate to the assessment date at issue and are somewhat similar to the subject in age, location, dwelling size, and features. These comparables sold from March 2023 to September 2024 for prices ranging from \$180,000 to \$440,000 or from \$153.19 to \$353.13 per square foot of living area, including land. The subject's assessment reflects a market value of \$263,530 or \$164.19 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. Based on this evidence and

after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
