

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Kittnar  
DOCKET NO.: 24-26022.001-R-1  
PARCEL NO.: 05-08-312-014-0000

The parties of record before the Property Tax Appeal Board are Mark Kittnar, the appellants, by attorney Kyle Gordon Kamego, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$20,981  
**IMPR.:** \$85,291  
**TOTAL:** \$106,272

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The property is a 9,537 square foot site located in Glencoe, New Trier Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance. The subject improvement is an approximately 26-year-old, two-story dwelling, of frame construction with 3,018 square feet of living area. Features of the home include four full bathrooms, one half bathroom, a full basement, two fireplaces, air conditioning, and an attached two-car garage.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparable properties. The comparable properties are located within the same neighborhood code and within 1.7 miles of the subject. They range in age from 15 to 46 years; in size from 2,544 to 3,181 square feet of

living area; and have improvement assessment from \$22.80 to \$27.90 per square foot of living area. The appellant requested the subject's total assessment be reduced to \$97,548.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of 106,272. The subject property has an improvement assessment of \$85,291 or \$28.26 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three<sup>1</sup> equity comparable properties. The suggested comparable properties are located on the same block or within a quarter mile of the subject; range in age from 2 to 25 years; in size from 2,978 to 3,460 square feet; and have improvement assessments ranging from \$29.64 to \$44.47 per square foot of living area. The board of review requested that the assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Clear and convincing evidence means more than a preponderance of the evidence, but it does not need to approach the degree of proof needed for a conviction of a crime. Bazyldo v. Volant, 164 Ill. 2d 207, 213 (1995).

Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparable properties to the subject property. 86 Ill.Admin.Code §1910.65(b). The Illinois Constitution requires that real estate taxes "be levied uniformly by valuation ascertained as the General Assembly shall provide by law." Ill. Const., art. IX, § 4 (1970); Walsh v. Property Tax Appeal Board, 181 Ill. 2d 228, 234 (1998). This uniformity provision of the Illinois Constitution does not require absolute equality in taxation, however, and it is sufficient if the taxing authority achieves a reasonable degree of uniformity. Peacock v. Property Tax Appeal Board, 339 Ill. App. 3d 1060, 1070 (4<sup>th</sup> Dist. 2003). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be appellant's comparable properties #2 and #3, and the board of review comparable properties #1 and #4. These comparable properties had improvement assessments that ranged from \$24.90 to \$44.47 per square foot of living area. The subject's improvement assessment of \$28.26 per square foot of living area falls within the range established by the best comparable properties in this record. After considering all the best comparable properties submitted by the parties with emphasis on those properties that are proximate in location, similar in size of living area, and with similar features to the subject and after further considering adjustments to the best comparable properties for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

<sup>1</sup> Comp #2 and Comp #3 are the same property.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
