

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: KENILWORTH 3302 LLC
DOCKET NO.: 24-26227.001-R-1
PARCEL NO.: 16-31-125-022-0000

The parties of record before the Property Tax Appeal Board are KENILWORTH 3302 LLC, the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,972
IMPR.: \$138,655
TOTAL: \$147,627

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an 8,972 square-foot parcel of land improved with a 95-year-old, four-story, masonry, multi-family dwelling, containing 17,583 square feet of living area. The property is located in Berwyn, Berwyn Township, Cook County and is a class 3-15 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of its overvaluation argument, the appellant submitted sales information on seven comparable properties that sold between May of 2022 and June of 2024 for prices ranging from \$42.31 to \$100.00 per square foot of living area, including land. The comparable sales properties were multi-family dwellings of masonry construction and contained between 13,350 and 44,572 square feet of living area. The appellant also submitted a copy of the board of review's decision letter reflecting its total

assessed valuation for the subject property of \$197,174. Based on this evidence, the appellant requested a reduction in the subject property's assessment to \$147,627.

The board of review submitted its "Board of Review Notes on Appeal" depicting a total assessed valuation for the subject property of \$197,174, with an improvement assessment of \$188,202. The subject's assessment reflects a market value of \$1,971,740, or \$112.14 per square foot of living area, including land, when applying the level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

The board of review did not submit any comparable properties.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *did meet* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be *the appellant's comparables #1, #2, #3, #6, and #7*. These comparables sold between May of 2022 and June of 2024 for prices ranging from \$42.31 to \$100.00 per square foot of living area, including land. They were most similar to the subject property in living area square footage. The board of review did not submit any comparable properties. The subject's assessment reflects a market value of \$112.14 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment *is* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
