

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Maria Flores
DOCKET NO.: 24-26893.001-R-1
PARCEL NO.: 13-25-325-025-0000

The parties of record before the Property Tax Appeal Board are Maria Flores, the appellant by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$24,335
IMPR.: \$45,954
TOTAL: \$70,289

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story, multi-family building of masonry exterior construction with 2,638 square feet of gross building area. The building is approximately 117 years old. Features include a full basement, 2 bathrooms, and a 2-car garage. The property has a 3,925 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four comparables located within the subject's assessment neighborhood and from 0.90 of a mile or 1.4 or 1.5 miles from the subject. The comparables are improved with class 2-11, 2-story multi-family buildings of masonry exterior construction ranging in size from 2,548 to 2,658 square feet of gross

building area. The buildings are from 99 to 108 years old. The buildings each have a full basement, 2 bathrooms, and a 2-car garage. The comparables have improvement assessments ranging from \$30,975 to \$33,783 or from \$12.16 to \$12.71 per square foot of gross building area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$32,949 or \$12.49 per square foot of gross building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject property of \$70,289. The subject has an improvement assessment of \$45,954 or \$17.42 per square foot of gross building area.

In support of its contention of the correct assessment, the board of review submitted information on four comparables located within the same assessment neighborhood and block as the subject property. Three comparables are also located along the subject's same street. The comparables are improved with class 2-11, 2-story multi-family buildings of masonry exterior construction ranging in size from 2,362 to 3,020 square feet of gross building area. The buildings are 116 or 117 years old. The buildings each have a full basement, with two having finished area, and either 2, 2 ½, 3 or 4 bathrooms. One comparable has central air conditioning, and two comparables have a 2-car garage. The comparables have improvement assessments ranging from \$44,215 to \$65,941 or from \$18.40 to \$24.63 per square foot of gross building area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables which are located nearly a mile or more from the subject property. The Board also gives less weight to the board of review's comparables #3 and #4 which differ from the subject in building size, present central air conditioning and/or lack a garage amenity, unlike the subject.

The Board finds the best evidence of assessment equity to be the board of review's comparables #1 and #2 which are located within the same assessment neighborhood, block and street as the subject and are also relatively similar to the subject in design, age, building size and other features. These two comparables have improvement assessments of \$44,215 and \$47,649 or \$18.40 and \$18.73 per square foot of gross building area. The subject's improvement assessment of \$45,954 or \$17.42 per square foot of gross building area is bracketed by the two best comparables in the record on an overall basis and below these two comparables on a per-square-foot basis. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and

convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
