

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ana Castellanos
DOCKET NO.: 24-27296.001-R-1
PARCEL NO.: 16-01-401-003-0000

The parties of record before the Property Tax Appeal Board are Ana Castellanos, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,800
IMPR.: \$63,200
TOTAL: \$80,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 3-story, mixed-use building of masonry exterior construction with 5,225 square feet of building area. The building is approximately 125 years old. Features include a partial unfinished basement, 2½ bathrooms, and central air conditioning. The property has a 3,000 square foot site is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four comparables located in the subject's assessment neighborhood and within 0.50 of a mile from the subject property. The comparables are improved with "two-story or more story" class 2-12 buildings of masonry exterior construction ranging in size from 4,923 to 5,793 square feet of building area.

The buildings are from 100 to 126 years old. Each comparable has a partial or full unfinished basement, either 3, 3½, 4½ or 5½ bathrooms, and central air conditioning. Comparable #4 has a 1½-car garage. The comparables have improvement assessments ranging from \$55,920 to \$64,798 or from \$10.34 to \$11.36 per square foot of building area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$57,580.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$80,000. The subject property has an improvement assessment of \$63,200 or \$12.10 per square foot of building area. In support of its contention of the correct assessment, the board of review submitted information on four comparables located in the subject's assessment neighborhood, two of which are located within the subject's block or approximately 0.25 from the subject. The comparables are improved with 3-story class 2-12 buildings of masonry exterior construction ranging in size from 4,362 to 5,733 square feet of building area. The buildings are 124 or 129 years old. Each comparable has a partial or full unfinished basement and either 2½, 3½, 6 or 6½ bathrooms. Comparables #1 and #3 each have central air conditioning. The comparables have improvement assessments ranging from \$64,200 to \$78,200 or from \$12.45 to \$14.72 per square foot of building area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparable #4 which is less similar to the subject in age than the other comparables in the record. The Board also gives less weight to the board of review's comparables #1 and #4 which appear to be outliers based on their considerably higher improvement assessments in relation to the other comparables in the record.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are overall most similar to the subject in location, age, dwelling size, and some features. The best comparables have improvement assessments ranging from \$59,200 to \$65,500 or from \$10.34 to \$14.72 per square foot of building area. The subject's improvement assessment of \$63,200 or \$12.10 per square foot of building area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
