FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Jonathan Myers
DOCKET NO.: 24-27761.001-R-1
PARCEL NO.: 17-17-317-034-0000

The parties of record before the Property Tax Appeal Board are Jonathan Myers, the appellant(s), by attorney Joseph F. Locallo, of Amari & Locallo in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***A Reduction*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$17,500
IMPR.:	$82,500
TOTAL:	$100,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of land totaling 3,125 square feet improved with an approximately 14-year-old, two story masonry constructed dwelling containing 2,813 square feet of building area. Features include three bathrooms, a full basement, air-conditioning, a roof deck, and a two-car garage. The property is in Chicago, West Chicago Township, Cook County and is classified as 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal which estimated the subject's market value as of January 1, 2024, of $1,000,000. The appraiser utilized the cost and income approaches to value to estimate the subject's market value. The appraiser opined that the highest and best use of the property is its present use.

Under the sales comparison approach, the appraiser analyzed three sales within 2.61 miles of the subject. The sales properties are described as four or three-story, masonry dwellings that sold from June 2023 to December 2023 for prices ranging from $1,100,000 to $1,235,000 or $366.79 to $452.55 per square foot. After adjustments for pertinent factors such as quality, size and amenities, the appraiser opined a value for the subject under the sales comparison approach of $355.49 per square foot or $1,000,000, rounded.

The board of review did not timely submit its "Board of Review Notes on Appeal" or any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a).

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the appellant submitted a credible appraisal report with reasonable and logical adjustments for differences from the subject, analysis of the data, and explanations of its choice for sales comparables being a considerable distance from the subject. The subject's current assessment reflects a market value of $1,226,780, which is higher than the appraised value. Based on the evidence presented, the Board finds the subject property is overvalued and a reduction commensurate with the appellant’s request is warranted. Since market value has been established the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
