

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Development Group. LLC
DOCKET NO.: 24-30284.001-R-1
PARCEL NO.: 14-31-208-015-0000

The parties of record before the Property Tax Appeal Board are Development Group. LLC, the appellant(s), by attorney Anne E. Edelman-Larsen, of the Law Offices of Frank A. Edelman, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$18,600
IMPR.: \$28,152
TOTAL: \$46,752

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an approximately 125-year-old 1.5-story dwelling of masonry construction with 2,040 square feet of living area. Features of the home include a partial basement, central air conditioning, and a 2.5-car garage. The property has a 3,000 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant asserts overvaluation in this appeal. In support of the overvaluation argument, the appellant submitted evidence disclosing that the subject property was sold on July 2, 2024, for a price of \$1,350,000. The evidence included the master statement and deed from the transaction. The appellant submitted a brief requesting a lower assessment than the sale value based on an improvement assessment of \$10.37 and alleged vacancy with documents regarding demolition

(that were not attached to this petition). It is unclear what the bases of these requests are since they have no basis in any submitted documents and are granted no weight. The appellant is requesting a total assessment of \$21,428.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject as \$46,752. The subject's assessment reflects a market value of \$467,520, land included, when using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%. The subject has an improvement assessment of \$28,152 or \$13.80 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information about three suggested equity comparables with comparable #2 having sale information. The comparables are located 0.25 miles from the subject property. These properties are 72- to 127-year-old two-story residences with masonry or frame and masonry construction. Comparable #2 sold in March 2023 for \$826,000 and has a sale price per square foot of \$279.05. All of the comparables have assessments per square foot between \$17.92 and \$20.51. The board of review is requesting that the current assessment be confirmed.

Conclusion of Law

When market value is a basis of the appeal, the taxpayer must prove the value of the property by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e); Winnebago County Bd. of Review v. Property Tax Appeal Bd., 313 Ill. App. 3d 1038, 1043 (2d Dist. 2000). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment on this basis is warranted.

The appellant presented evidence that the subject property was sold on July 2, 2024, for a price of \$1,350,000. The appellant filled out Section IV - Recent Sale Data of the PTAB residential appeal form and disclosed that the parties to the transaction were not related, the property was sold by a realtor who works for Safe Harbor Realty LLC. The appellant stated that the property was advertised for sale on the multiple listing service for six months. The appellant also disclosed that the sale was not due to a foreclosure action. The appellant submitted a copy of the settlement statement. This evidence indicates that this sale was an arm's-length transaction. The board of review's evidence was insufficient to overcome the best evidence of the recent sale of the property, as the board of review did not provide evidence to rebut the appellant's supported assertion that the sale was an arm's length transaction.

The Board's task in this case is to determine the correct assessment of the subject property. *See* 35 ILCS 200/16-180. Under Illinois law, real property must be valued at its fair cash value, meaning the price that would be paid for it at a fair, voluntary sale where the buyer and seller are both ready, willing, and able to buy and sell, but neither is compelled to do so. Bd of Educ of Meridian Community School Dist. No. 223 v. Ill. Property Tax Appeal Bd., 2011 IL App (2d) 100068, ¶ 36. A contemporaneous sale of the subject property between parties dealing at arms-length is practically conclusive on the issue of whether an assessment reflected the fair cash market value of the property. Gateway-Walden LLC v. Pappas, 2018 IL App (1st) 162714, ¶ 33.

The Board finds that the best evidence of the subject's market value is the July 2, 2024, sale of the subject for \$1,350,000. As stated above, the appellant's other arguments regarding value and vacancy were unsupported and not supported by the reality of the property and therefore granted no weight. Because the subject's assessment reflects a fair market value less than that amount, the sale price, a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
