

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Katie Kreissl
DOCKET NO.: 24-32567.001-R-1 through 24-32567.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Katie Kreissl, the appellant(s), by attorney Daniel J. Heywood, of Maher, Brannigan & Heywood, P.C. in Orland Park; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
24-32567.001-R-1	14-20-119-045-1004	27,771	19,530	\$47,301
24-32567.002-R-1	14-20-119-045-1010	1,157	1,542	\$2,699

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a condominium unit and a garage parking space in a 12-unit, 114-year-old condominium complex. The property has a 6,221 square foot site and is located in Chicago, Lakeview Township, Cook County. The property is a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance. The appellant disclosed that this is an owner-occupied residence.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$500,000 as of January 1, 2024. The appraisal was prepared by an associate real estate trainee appraiser and a certified general real estate appraiser who asserted that the highest and best use of the subject property as improved was its present use. The appraiser inspected the property on August 9, 2024, and used the sales comparison approach to valuation.

Under the sales comparison approach, the appraiser utilized four comparable sales properties which were located within a 0.58-mile radius of the subject. The properties are each improved with a condominium dwelling and a dedicated garage parking space similar in use to the highest and best use of the subject. The comparable properties sold from February 2022 to August 2023 for prices ranging from \$420,000 to \$515,000 or from \$190.91 to \$298.76 per square foot of living area, land included in the sales prices. The appraiser adjusted, if applicable, for HOA fees, room count, kitchen/bathroom finishes, fireplaces, and sales concessions. The appraiser concluded that based on the sales data and applying adjustments to the comparable sales for differences from the subject, the subject had a market value of \$500,000. Based on this evidence the appellant is seeking a reduction in the subject's assessment to reflect the appraisal.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$64,999. The record included the Cook County board of review 2024 assessed valuations decision which indicated a total assessment for the condominium and parking space of \$67,497. The subject's assessment reflects a market value of \$674,970 when applying the level of assessments for class two property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on a condominium analysis which considered the sales of two condominium units and their related two parking spaces in the complex in July 2022 and December 2023 for \$674,988, which represented a 25% ownership in the complex, and resulted in a full value of the complex of \$2,699,992 and a total assessment of \$269,999. Based on these figures the subject property and its parking space, containing a total of 25% interest in the complex, would have a market value of \$674,998 and a total assessment of \$67,499. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the appellant submitted a credible appraisal report with reasonable and logical adjustments for differences from the subject. The subject's current assessment reflects a market value of \$674,970, which is higher than the appraised value of \$500,000. Based on the evidence presented, the Board finds the subject property is overvalued and a reduction commensurate with the appellant's request is warranted. Since market value has been established the level of assessment for class two property under the Cook County Real Property Assessment Classification Ordinance shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
