

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dmochowski Leslaw
DOCKET NO.: 24-33045.001-R-1
PARCEL NO.: 02-28-207-005-0000

The parties of record before the Property Tax Appeal Board are Dmochowski Leslaw, the appellant(s), by attorney Gregory J. Hilton, of Property Tax Solutions in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,935
IMPR.: \$24,065
TOTAL: \$35,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a fifty-four year-old, two-story dwelling of frame construction, containing 2,523 square feet of living area on a 12,150 square foot lot in Palatine, Palatine Township, Cook County. The subject is classified as 2-78 under the Cook County Real Property Assessment Classification Ordinance. Features of the property include two full bathrooms, a half bathroom, a partial basement and a two-car garage.

The appellant contends overvaluation as the basis of appeal. In support of its market value argument, the appellant completed Section IV – Recent Sale Data in its Residential Appeal Form indicating the subject property was purchased on September 15, 2022, for \$350,000. The appellant indicates that the sale did not occur between family members, was sold through a broker and was listed on the multiple listing service for eleven days. The appellant submitted a copy of the settlement statement showing commissions paid to the buyer's and seller's brokers

and fees paid to the buyer's and seller's attorneys. The appellant also submitted a printout of the MLS listing. Based on this evidence, the appellant requests an assessment of \$35,000.

The board of review submitted its "Board of Review Notes on Appeal" stating the total valuation assessment for the subject property as \$45,223 with an improvement assessment of \$34,288. The valuation assessment reflects a market value of \$452,230 when applying the 10% Cook County Real Estate Classification Ordinance assessment for class two properties, or \$179.24 per square foot, land included.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales. The sales comparables are two-story dwellings of frame and masonry or frame construction, fifty-four or fifty-five years-old and ranging in size from 2,281 to 2,716 square feet in living area. The sales occurred from January 13, 2021 to June 16, 2023 for prices ranging from \$535,000 to \$640,000 or \$193.94 to \$280.58 per square foot. The board of review reports that all of its sales comparables are within a quarter-mile of the subject property.

Conclusion of Law

The appellant contends that the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e); Winnebago County Bd. of Review v. Property Tax Appeal Bd., 313 Ill. App. 3d 1038, 1043 (2d Dist. 2000). Proof of market value may consist of a recent sale or appraisal of the subject property, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Property Tax Appeal Board (PTAB) finds the appellant *did meet* this burden of proof.

The Board finds that the best evidence of market value to be the September 15, 2022, sale of the subject property for a price of \$350,000. The board of review has not refuted the arms-length nature of the sale which did not occur between family members, was transacted through a broker with each party represented by their own broker and attorney and was advertised for sale with the multiple listing service. Based on this record the Board finds that the subject property had a market value of \$350,000. The Board finds that the market value established by the purchase price is below the assessment and therefore a reduction in the subject's assessment *is* appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
