

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Esteban Garcia
DOCKET NO.: 24-33346.001-R-1
PARCEL NO.: 22-23-208-020-0000

The parties of record before the Property Tax Appeal Board are Esteban Garcia, the appellant, by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,190
IMPR.: \$56,000
TOTAL: \$66,190

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 3,499 square feet of living area. The dwelling is approximately 9 years old. Features of the home include a full basement, central air conditioning, one fireplace, 4 bathrooms and a 3-car garage. The property has a 17,722 square foot site and is located in Lemont, Lemont Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the subject's assessment neighborhood and within .2 of a mile from the subject, with two properties located on the same street as subject. The comparables are composed of class 2-78 two-story dwellings of frame and masonry exterior construction, ranging

in size from 3,364 to 3,682 square feet of living area. The homes are approximately 1 to 8 years old. Each property has a full basement 1 to 3 full bathrooms, with three comparables having an additional half bathroom. Each home has central air conditioning and a 2-car or 3-car garage. Three dwellings feature a fireplace. The comparables have improvement assessments that range from \$53,454 to \$56,531 or from \$15.35 to \$16.04 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$55,074 or \$15.74 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$67,500. The subject property has an improvement assessment of \$57,310 or \$16.38 per square foot of living area.

The board of review submitted no evidence in support of its assessment position.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of assessment equity to be appellant's comparables, which are similar to the subject in age, location, dwelling size, basement amenity and garage size. These comparables had improvement assessments that ranged from \$53,454 to \$56,531 or \$15.35 to \$16.04 per square foot of living area. The subject's improvement assessment of \$57,310 or \$16.38 per square foot of living area falls above the range established by the best comparables in this record. Based on this record the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
