FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: WRK Capital, LLC
DOCKET NO.: 24-33355.001-R-1
PARCEL NO.: 20-10-111-024-0000

The parties of record before the Property Tax Appeal Board are WRK Capital, LLC, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$17,010
IMPR.:	$53,990
TOTAL:	$71,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 3-story, multi-family building of masonry exterior construction with 8,985 square feet of gross building area. The building is approximately 117 years old and features a full basement.[1] The property has a 4,860 square foot site and is located in Chicago, Hyde Park Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the subject's assessment neighborhood. The comparables are improved with 3-story, class 2-11 multi-family buildings of masonry exterior construction ranging in size from 8,760 to 9,132 square feet of gross building area. The buildings are from

108 to 137 years old. Each comparable has a full basement. One comparable has a 2-car garage. The comparables have improvement assessments ranging from $30,084 to $54,125 or from $3.41 to $5.94 per square foot of gross building area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $71,000. The subject property has an improvement assessment of $53,990 or $6.01 per square foot of gross building area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the subject's assessment neighborhood. The comparables are improved with 3-story, class 2-11 multi-family buildings of masonry exterior construction ranging in size from 5,692 to 9,648 square feet of gross building area. The buildings are from 127 to 144 years old. Each comparable has a full basement. One comparable has central air conditioning. The comparables have improvement assessments ranging from $54,993 to $63,285 or from $6.56 to $9.66 per square foot of gross building area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

In written rebuttal, the appellant's counsel pointed out differences in living area (building size) between the subject property and the board of review comparables.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #1 which has an improvement assessment that is significantly lower than the other comparables in this record and, thus, makes this comparable an outlier. The Board gives less weight to the appellant's comparable #2 which is located over one mile from the subject property and features a garage amenity, unlike the subject. The Board also gives less weight to board of review comparables #2, #3, and #4 which are substantially smaller buildings than the subject in dwelling size and/or feature central air conditioning, which the subject lacks. The Board finds the best evidence of assessment equity to be the appellant's comparables #3 and #4, as well as board of review comparable #1, which are overall more similar to the subject in location, design/class, age, size, and features. The comparables have improvement assessments ranging from $49,512 to $63,285 or from $5.65 to $6.56 per square foot of gross building area. The subject's improvement assessment of $53,990 or $6.01 per square foot of gross building area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
