

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Muneer Abbas
DOCKET NO.: 24-33528.001-R-1
PARCEL NO.: 26-31-228-044-0000

The parties of record before the Property Tax Appeal Board are Muneer Abbas, the appellant, by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,133
IMPR.: \$10,267
TOTAL: \$12,400

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame and masonry exterior construction with 1,122 square feet of living area. The dwelling is approximately 72 years old and features a full basement, central air conditioning, and a 1.5-car garage. The property has a 5,332 square foot site and is located in Chicago, Hyde Park Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject and located from .4 of a mile to 1 mile from the subject. The comparables are class 2-03 properties improved with 1-story or 1.5-story dwellings of frame and masonry or masonry exterior construction ranging in size

from 1,129 to 1,170 square feet of living area. The dwellings are 62 to 111 years old and have full basements. One comparable has a fireplace. The comparables each have a 1.5-car or a 2-car garage. The comparables have improvement assessments ranging from \$9,125 to \$10,125 or from \$7.80 to \$8.79 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$12,400. The subject property has an improvement assessment of \$10,267 or \$9.15 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables with the same assessment neighborhood code and located ¼ of a mile from the subject. The comparables are class 2-03 properties improved with 1-story dwellings of frame and masonry exterior construction ranging in size from 1,040 to 1,286 square feet of living area. The homes are 58 or 59 years old and have full basements. Three comparable have central air conditioning and each comparable has a 1-car or 2.5-car garage. The comparables have improvement assessments ranging from \$10,577 to \$12,450 or \$9.56 to \$10.81 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparables for the Board's consideration with the same property classification code as the subject. The Board gives less weight to the appellant's comparables which lack central air conditioning, a feature of the subject and are located less proximate to the subject than the comparables submitted by the board of review. Furthermore, appellant's comparables #1 and #4 are 39 and 34 years older, respectively, and appellant's comparable #2 is dissimilar in design/story height when compared to the subject. The Board also gives less weight board of review comparable #4 which lacks central air conditioning.

The Board finds the best evidence of equity to be board of review comparables #1, #2 and #3 which overall are more similar to the subject in location, age, dwelling size and features. These comparables have improvement assessments ranging from \$10,577 to \$12,450 or from \$9.56 to \$10.81 per square foot of living area. The subject's improvement assessment of \$10,267 or \$9.15 per square foot of living area falls below the range established by the best comparables in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
