FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Laura Lerner
DOCKET NO.: 24-34131.001-R-1
PARCEL NO.: 14-05-105-002-0000

The parties of record before the Property Tax Appeal Board are Laura Lerner, the appellant(s), by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***A Reduction*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$59,496
IMPR.:	$46,306
TOTAL:	$105,802

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three-story dwelling of masonry construction with 5,100 square feet of living area. The dwelling is approximately one hundred and nine years. Features of the home include a full basement, six bathrooms and a four-car garage. The property is located in Chicago, Lakeview Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables. Each of the appellant comparable properties are two or three story of masonry construction. They are of similar age and share similar features. They range in size from 4,826 to 5,620 square feet of living area; and in improvement assessment from $35,125 to 50,053 or $7.24 to $9.12 per square foot of living

space The comparable properties range from .22 to .95 miles distance to the subject property. The appellant is seeking a reduction in total assessment to $102,285.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $110,802. The subject property has an improvement assessment of $51,306 or $10.06 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables. Each of the board of review comparables are three story of masonry construction. They are all of similar age, share similar features and are close in proximity. They range in size from 4,323 to 6,198 square feet; and in improvement assessment from $50,509 to $108,688 or $10.29 to $18.62 per square foot of living area. The board of review comparable properties range from a quarter mile distance to the same subarea. The board of review is asking for no change in assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of assessment equity to be *appellant's comparables.* The subject's improvement assessment of $10.06 per square foot of living area falls above the range established by the best comparables in this record. Based on this record the Board finds the appellant *did* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
