FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Kevin Brenner
DOCKET NO.: 24-34148.001-R-1
PARCEL NO.: 14-06-409-034-0000

The parties of record before the Property Tax Appeal Board are Kevin Brenner, the appellant(s), by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***A Reduction*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$27,114
IMPR.:	$70,862
TOTAL:	$97,976

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 2,547 square feet of living area. The dwelling is approximately one hundred and twenty-five years old. Features of the home include a partial basement, central air conditioning, and three and a half bathrooms. The property is located in Chicago, Lakeview Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables. Each of the appellant comparable properties are two story of frame construction. They are of similar age and features, they range in size from 2,353 to 2,890 square feet of living area; and in improvement assessment

from $29,104 to $73,464 or $14.54 to $26.46 per square foot of assessment. The appellant comparable properties range in distance from .06 to .77 miles distance to the subject property. The appellant is asking for a reduction in total assessment to $100,977.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $100,977. The subject property has an improvement assessment of $73,863 or $29.00 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three equity comparables. Each of the board of review comparable properties are two-story of frame construction. They are of similar age and share many features. They range in size from 2,388 to 2,761 square feet of living area; and in improvement assessment from $83,464 to $101,406 or $32.26 to $34.95 per square foot of living space. The board of review response only notes the distance from one comparable to the subject property. The board of review is asking for no change in assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *met/did not meet* this burden of proof and a reduction in the subject's assessment *is/is not* warranted.

The Board finds the best evidence of assessment equity to be *appellants comparables three, four and five.* The subject improvement assessment falls above the range established by the best comparables in this record. Based on this record the Board finds the appellant *did* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
