

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Angeles Lopez
DOCKET NO.: 24-34212.001-R-1
PARCEL NO.: 24-12-115-058-0000

The parties of record before the Property Tax Appeal Board are Angeles Lopez, the appellant by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,580
IMPR.: \$18,193
TOTAL: \$21,773

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1½-story dwelling of masonry exterior construction with 1,067 square feet of living area. The dwelling is approximately 70 years old. Features of the home include a full basement with finished area,¹ 1½ bathrooms and a 2-car garage. The property has a 5,115 square foot site and is located in Evergreen Park, Worth Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five comparables located within the subject's assessment neighborhood and within 0.66 of a mile from the subject property. The comparables consist of class 2-03, 1-story dwellings of masonry exterior

¹ The board of review disclosed the subject's basement has a finished area, which was unrefuted by the appellant.

construction ranging in size from 1,128 to 1,203 square feet of living area. The dwellings are from 68 to 78 years old. Two comparables have full basements with "N/A" disclosed for the finished area. Three comparables have slab or crawl space foundations. Each comparable has 1 bathroom and 1 or 2 fireplaces. Four comparables have either a 1-car or a 1½-car garage. The comparables have improvement assessments ranging from \$12,592 to \$13,911 or from \$10.67 to \$12.24 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted a copy of the Cook County Board of Review final decision disclosing the total assessment for the subject property of \$21,773. The subject property has an improvement assessment of \$18,193 or \$17.05 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four comparables located within the same assessment neighborhood as the subject. Three comparables are also located approximately ¼ of a mile from the subject. The comparables consist of class 2-03, 1-story dwellings of masonry exterior construction ranging in size from 1,078 to 1,109 square feet of living area. The dwellings are from 70 to 73 years old. The comparables have full basements with finished area, either 1, 1½ or 2 bathrooms, central air conditioning and either a 1½-car or a 2-car garage. The comparables have improvement assessments ranging from \$19,668 to \$21,178 or from \$18.24 to \$19.29 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables due to differences in the foundation types and/or lack of a garage when compared to the subject. Moreover, the Board finds the appellant's comparables #1 and #5 are outliers given their substantially lower improvement assessments relative to the higher improvement assessments of the board of review comparables that are similar in property characteristics to these two comparables.

The Board finds the best evidence of assessment equity to be the board of review's comparables which are relatively similar to the subject in location, age, dwelling size, foundation type and most features. These comparables have improvement assessments ranging from \$19,668 to \$21,178 or from \$18.24 to \$19.29 per square foot of living area. The subject's improvement assessment of \$18,193 or \$17.05 per square foot of living area falls below the range established by the best comparables in the record. After considering adjustments to the best comparables for

differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
