DOCKET NO.: 24-34756.001-C-1 through 24-34756.002-C-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Phillips Conoco at 67th St. Inc., the appellant(s), by attorney Gregory P. Diamantopoulos, of Verros Berkshire, PC in Oakbrook Terrace; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***A Reduction*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
24-34756.001-C-1	20-22-401-005-0000	3,875	0	$3,875

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two parcels of land totaling 12,420 square feet and improved with an approximately 98-year-old, one-story, masonry, commercial building containing 698 square feet of building area. The property is located in Chicago, Hyde Park Township and is classified as a class 5 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity as the basis of the appeal. In support of this argument, the appellant submitted five equity comparables located from .4 to 3.1 miles from the subject. These comparables are described as one-story, masonry, commercial buildings. They range: in age from 38 to 57 years; in size from 700 to 2,952 square feet of building area; and in improvement assessment from $37.20 to $129.29 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of $126,875 with an improvement assessment of $91,950 or $131.73 per square foot of building area.

In support of the current assessment, the board of review included data sheets on nine sales comparables. However, the board of review failed to list these sales on the Comparable Sales/Assessment Equity Grid Analysis form as prescribed by the Board. See 86 Ill. Adm. Code §1910.63(c). The sanction for failure to use the prescribed form is that the board of review's comparables not listed on the prescribed form will be given no weight. *Standing Order No. 2.*

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of assessment equity to be the appellant's comparables. These comparables had improvement assessments from $37.20 to $129.29 per square foot of building area. In comparison the subject's improvement assessment of $131.73 per square foot of building area is above the range of the best comparables in this record. Based on this record and after adjustments to the comparables for differences in location and with the subject's pertinent characteristics, the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvements is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
