

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: JOBERSAM LLC
DOCKET NO.: 24-35162.001-R-1
PARCEL NO.: 14-30-211-020-0000

The parties of record before the Property Tax Appeal Board are JOBERSAM LLC, the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$46,500
IMPR.: \$54,500
TOTAL: \$101,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an approximately 126-year-old two-story dwelling of frame construction with 2,200 square feet of living area. Features of the home include a full basement and three bathrooms. The property has a 3,000 square foot site and is located in Chicago, Lakeview Township, Cook County. The property is a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$1,010,000 as of January 1, 2024. The appraiser relied on the sales approach and the income approach. Based on the income approach, the appraiser looked at other rental properties, figured a capitalization rate and found the property to be worth \$985,000 based on that approach. The appraiser looked at five sales comparables and concluded the property's value based on that

approach would be \$1,030,000. The appraiser averaged the values based on both approaches and concluded the property is worth \$1,010,000. The appellant is requesting a total assessment of \$101,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$148,898. The subject's assessment reflects a market value of \$1,488,980 or \$676.81 per square foot of living area, including land. In support of its contention of the correct assessment the board of review submitted information on three comparable sales. The board of review identified three comparable sales for properties located within the same "subarea" of the subject property. The unadjusted sales occurred from December 2021 and August 2024 for sales prices between \$600,000 and \$810,000. The sales price per square foot are between \$337.37 and \$424.08. The board of review is requesting that the current assessment be confirmed.

Conclusion of Law

The appellant contends that the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e); Winnebago County Bd. of Review v. Property Tax Appeal Bd., 313 Ill. App. 3d 1038, 1043 (2d Dist. 2000). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that the best evidence of the subject's market value is the appraisal submitted by the appellant. That appraisal employed the sales comparison and income approaches, relying upon sales of five properties in Chicago and completed a rental income analysis of the subject. The appraiser adjusted these sales prices to account for differences between the subject and the comparables. In contrast, the board of review's evidence consists of unadjusted data from several sales.

Accordingly, the Board finds the subject property had a fair market value of \$1,010,000 as of the assessment date at issue. Because the assessment reflects a greater fair market value, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
