

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mazen Matarieh  
DOCKET NO.: 24-35284.001-R-1  
PARCEL NO.: 24-17-201-024-0000

The parties of record before the Property Tax Appeal Board are Mazen Matarieh, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,086  
**IMPR.:** \$43,923  
**TOTAL:** \$49,009

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story, multi-family building of frame and masonry exterior construction with 4,528 square feet of gross building area. The building is approximately 51 years old. Features include a full basement. The property has a 5,499 square foot site and is located in Oak Lawn, Worth Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted four equity comparables located within the subject's assessment neighborhood and within 0.16 of a mile from the subject property. Two of these comparables are located on the same block and along the same street as the subject. The comparables are improved with 2-story or 3-story or higher, class 2-11 multi-family buildings of masonry or frame and masonry exterior construction with either 4,528 or

5,920 square feet of gross building area. The buildings range in age from 46 to 50 years old. Two comparables each have a slab foundation and two comparables each have a full or partial basement with one of these having finished area. Two comparables each have central air conditioning and a 2-car garage. The comparables have improvement assessments ranging from \$36,963 to \$50,083 or from \$7.93 or \$8.52 per square foot of gross building area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted the board of review final decision disclosing the total assessment for the subject of \$49,009. The subject property has an improvement assessment of \$43,923 or \$9.70 per square foot of gross building area. In support of its contention of the correct assessment, the board of review submitted information on four comparables located within the subject's assessment neighborhood and the same tax block, two of which are also along the same street as the subject property. The comparables are improved with 2-story, class 2-11 multi-family buildings of frame and masonry exterior construction with either 4,384 or 4,528 square feet of gross building area. The buildings range in age from 50 to 53 years old. Each comparable has a full basement. The comparables have improvement assessments ranging from \$46,512 to \$48,445 or from \$10.49 to \$10.81 per square foot of gross building area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #4 due to differences relative to the subject in design, gross building size, foundation type, basement finish, and/or garage amenity.

The Board finds the best evidence of assessment equity to be the appellant's comparable #3 as well as the board of review comparables which are overall most similar to the subject in location, design/class, age, gross building size, foundation type, and other features. The best comparables have improvement assessments ranging from \$36,963 to \$48,445 or from \$8.16 to \$10.81 per square foot of gross building area. The subject's improvement assessment of \$43,923 or \$9.70 per square foot of gross building area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
