

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eric Christoff
DOCKET NO.: 24-35378.001-R-1
PARCEL NO.: 14-20-308-026-0000

The parties of record before the Property Tax Appeal Board are Eric Christoff, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$36,999
IMPR.: \$35,237
TOTAL: \$72,236

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of masonry exterior construction with 1,242 square feet of living area. The dwelling was built in 1880 and is approximately 144 years old. Features include a full basement and a 2-car garage. The property has a 3,100 square foot site and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the subject's assessment neighborhood and from 0.6 to 0.9 of mile from the subject property. The comparables are improved with 1-story, class 2-03 homes of frame exterior construction ranging in size from 1,080 to 1,380 square feet of living area. The dwellings are 134 or 136 years old. Each comparable has a full basement. Two comparables

each have a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$25,001 to \$34,000 or from \$22.28 to \$24.85 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$72,236. The subject property has an improvement assessment of \$35,237 or \$28.37 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three equity comparables located within the subject's assessment neighborhood. One home is on the same block and street as the subject and two homes are ¼ of a mile from the subject property. The comparables are improved with 1.5-story, class 2-03 homes of frame or masonry exterior construction ranging in size from 1,472 to 1,512 square feet of living area. The dwellings are 127 or 132 years old. Each comparable has a full basement and from a 1-car to a 2-car garage. One comparable has central air conditioning. The comparables have improvement assessments ranging from \$42,276 to \$45,501 or from \$28.72 to \$30.64 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables which are each located less proximate to the subject than the comparables presented by the board of review and each home has a dissimilar 1-story design, in contrast to the subject's 1.5-story design. Further, the appellant's comparables #1 and #3 lack a garage amenity, which is a feature of the subject.

The Board finds the best evidence of assessment equity to be the board of review comparables which are larger dwellings than the subject but overall most similar to the subject in location, design/class, and age with varying degrees of similarity in other features. The best comparables have improvement assessments ranging from \$42,276 to \$45,501 or from \$28.72 to \$30.64 per square foot of living area. The subject's improvement assessment of \$35,237 or \$28.37 per square foot of living area falls below the best comparables in this record and is logical considering the subject's smaller dwelling size when compared to the best comparables. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
