

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Linda Kuczka  
DOCKET NO.: 24-35604.001-R-1  
PARCEL NO.: 14-19-121-012-0000

The parties of record before the Property Tax Appeal Board are Linda Kuczka, the appellant(s), by attorney Erik Wilson, of Kovitz Shifrin Nesbit in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$46,500  
**IMPR.:** \$33,500  
**TOTAL:** \$80,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 3,125 square foot parcel of land improved with a 123-year-old, two-story, frame, single-family dwelling containing approximately 1,512 square feet of building area. The property is located in Chicago, Lake View Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal which estimated the subject's market value as of January 1, 2024, of \$800,000. The appraiser utilized the sales comparison approach to value to estimate the subject's market value. The petition disclosed that the subject was not an owner-occupied residence.

Under the sales comparison approach, the appraiser analyzed three comparables in arriving at the estimate of value. The sales properties are described as two-story, frame or masonry, single-family dwellings ranging in size from 1,555 to 1,784 square feet of building area. They sold from April 2023 to March 2024 for prices ranging from \$466.37 to \$503.45 per square foot. After making adjustments for pertinent factors, the appraiser opined a value for the subject under the sales comparison approach of \$800,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of \$88,700 which reflects a market value of \$887,000 using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment, the board of review submitted three sales comparables. These comparables are described as two-story, frame or masonry, single-family dwellings containing from 1,428 to 2,182 square feet of building area. They sold from May 2021 to September 2022 for prices ranging of \$569.32 to \$626.75 per square foot of building area.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The appellant's appraiser utilized the sales comparison approach to value in determining the subject's market value. The current assessment reflects a market value above this value. The Board finds this appraisal to be persuasive because the appraisal discloses that the appraiser inspected the subject, reviewed the property's history, and used similar properties in the sales comparison approach. Therefore, the Board finds the subject property's market value of \$800,000 as of the assessment date at issue. Since market value has been established the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
