FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Jason Reyes
DOCKET NO.: 24-35670.001-R-1
PARCEL NO.: 14-07-306-016-0000

The parties of record before the Property Tax Appeal Board are Jason Reyes, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$36,268
IMPR.:	$48,732
TOTAL:	$85,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story masonry structure, approximately 108 years of age, with 3,914 square feet of living area, on a 3,914 square foot site in Lakeview Township, Chicago, Cook County. The subject is classified as 2-11 under the Cook County Real Property Assessment Classification Ordinance. Features of the building include four full bathrooms, a full basement and a one-car garage.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables with varying degrees of similarity to the subject property. The properties offered by the appellant are two-story, class 2-11 buildings of frame or masonry construction, containing one or two dwelling units, ranging in age from 111 to 131 years and ranging in size from 2,404 to 3,122 square feet of living area. The comparables have two or three full bathrooms and full basements. One has a garage. The

record is silent on the proximity of the comparables to the subject property. The assessed values of the comparables range from $4.97 to $6.47 per square foot of living area. Based on this evidence, the appellant is requesting an assessment amount of $64,878.

The board of review submitted its "Board of Review Notes on Appeal" stating the total assessment for the subject property as $86,001 including an improvement assessment of $43,002 or $10.99 per improved square foot. In support of its contention of the correct assessment, the board of review submitted four equity comparable properties. The properties offered by the board of review are two-story buildings of masonry construction, ranging in age from 107 to 112 years, and ranging in size from 3,453 to 3,926 square feet of living area. The comparables have from three to five full bathrooms with one having a half bathroom. All have a full basement and garage. The board of review reports that all of its comparables are located within a quarter mile of the subject property. The comparables have assessed values ranging from $11.23 to $13.62 per square foot of living area.

Conclusion of Law

The taxpayer asserts assessment inequity as the basis of the appeal. The Illinois Constitution requires that real estate taxes, "be levied uniformly by valuation ascertained as the General Assembly shall provide by law." Ill. Const. art. IX, §4 (1970); Walsh v. Property Tax Appeal Board, 181 Ill. 2d 228, 234 (1998). This uniformity provision of the Illinois Constitution does not require absolute equality in taxation, however, and it is sufficient if the taxing authority achieves a reasonable degree of uniformity. Peacock v. Property Tax Appeal Board, 339 Ill. App. 3d 1060, 1070 (4th Dist. 2003).

When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by the appellant by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e); Walsh, 181 Ill. 2d at 234 (1998). Clear and convincing evidence means more than a preponderance of the evidence, but it does not need to approach the degree of proof needed for a conviction of a crime. Bazyldo v. Volant, 164 Ill. 2d 207, 213 (1995). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant **did not** meet this burden of proof and a reduction in the subject's assessment **is not** warranted.

The Board finds the best evidence of assessment equity to be the board of review's comparables. Those comparables are similar to subject property in age, size, exterior construction, bathrooms, basements, garages and proximity to the subject. In contrast, the appellant's comparables #1, #2, #3 and #4 are of frame construction. All of the appellant's comparables are at least 792 square feet smaller than the subject property and all are of unknown distance to the subject property. Those comparables are accorded less evidentiary weight based on these factors. The best evidence comparables have improved assessed values ranging from $11.23 to $13.62 per square foot. The subject property's assessment of $10.99 per square foot of living area is below the range established by the best comparables in the record. Based on this record the Board finds the

appellant **did not** demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
